Bible Stories: retold by David Kossoff David KOSSOFF,1968 His insight into the minds of the characters helps his readers or audience to share in their experiences and understand the thoughts and feelings behind their actions [Complete Bible Stories - Old and New](#) David Kossoff,2002-03-11 Vividly retold stories from the Bible by popular performer David Kossoff both of his works in one volume for the first time **Bible Stories** David Kossoff,1999 Over 90 stories from the Bible vividly retold by David Kossoff in this long running bestseller David Kossoff first starting retelling Bible stories for BBC radio in the early sixties He was so popular that he was given his own television series made records and public performances and even had one of his pieces set to music and premiered at the Festival Hall In this collection of tales from the Old Testament ranging from Adam and Eve to Daniel he sets vivid scenes and brings characters to life with simplicity and imagination reaching every time to the very heart of the story There is no more difficult task than to make the old new and the familiar interesting This is the reason why I have read with such pleasure and delight David Kossoff s stories from the Bible To my mind there is no doubt at all that he makes these stories come alive He has the gift of making old stories new for he is a born story teller From the Foreword by William Barclay **Catalogue of English Bible Translations** William J.

Chamberlin,1991-12-10 While other Bible catalogs are available this comprehensive reference book is destined to become the standard in the field Chamberlin s one volume work traces the publication history of multiple editions of Bible translations and offers valuable descriptive annotations The catalog not only includes complete Bibles but also Old and New Testaments partial texts commentaries that include translations children s Bibles Apocryphal writings and the Koran as well Other bibliographies are usually limited to editions commonly found in academic libraries but Chamberlin s guide also includes Bibles found in private collections Overall this catalogue contains more than five times as many entries of different English translations as two other Bible bibliographies those by Hill and Herbert combined The entries are grouped in 151 categories and within each category entries are listed in chronological order The accompanying annotations identify the translator and provide an overview of the contents of each work The detailed indexes make this bibliography a convenient tool for researchers Bible scholars collectors and rare book dealers will find this catalogue a necessary addition to their libraries

Early Christian Witnesses Victor C. Pfitzner,2022-11-20 The articles and talks included in this collection cover fifty years of theological engagement the primary focus being on education for ministry in Australia and abroad Despite the diversity of topics such as hermeneutics New Testament theology preaching ecumenical relations and early church history there is a connecting concern to listen to the unique voices of early Christian witnesses as foundational for the faith and the apostolic claims of the church in its present day witness The publication of these essays has been suggested for some time Despite my reluctance to reissue articles written over a period of more than five decades I have relented in the hope that there will be enough to engage the interest of a variety of readers and not only former students in seminaries and theological

colleges in Australia and various places overseas Included here are mainly articles written specifically for publication in journals but also lectures and talks to various groups of clergy lay people and theological students Of prime concern has always been the explication of the Christian faith according to its earliest witnesses in the early church of apostles and martyrs Faith remains attested and lived approved not proven *Under Cover* Jeremy Robson,2018-09-25 As an independent publisher Jeremy Robson always punched above his weight with a roster of authors that have been the envy of many large publishers As a poet he has been at the centre of the poetry scene since the 1960s with a number of highly praised volumes to his credit and the friendship of many leading poets and musicians In this engrossing memoir Robson looks back at both his publishing career and life as a poet Stories abound whether it be driving Muhammad Ali around Britain coping with Michael Winner or working in the desert with David Ben Gurion Time spent joyously laughing with Maureen Lipman and Alan Coren while undertaking an exciting poetry reading tour with Ted Hughes and packing the Royal Festival Hall for a historic poetry and jazz concert Jeremy recounts treasured and life long friendships with the poets and writers Dannie Abse Alan Sillitoe Vernon Scannell Laurie Lee Yevgeny Yevtushenko Elie Wiesel and Frederic Raphael Well known and celebrated as both publisher and poet Jeremy Robson has produced a delicious memoir that will delight the reader
