Discovering Joshua Rob de Jongh,2019-05 The Old Testament book of Joshua is full of interesting characters exciting battles and life or death situations Did you know that just one Israelite died in the battle for Jericho and why And did you know that just one person from Jericho and her family were saved and the apparent loophole in the Old Testament law that allowed for it In *Discovering Joshua* you are given at least one Bible study for each chapter allowing you to start your own Bible study prepare talks and sermons or lead a study group The content of the book is designed to lead to many other places in the Bible both Old and New that illuminate the text and provide infinite avenues to Discover the Old Testament for yourself Short relevant and inspirational studies for each chapter of the Bible For speakers teachers parents and group leaders When Jesus taught us to pray give us today our daily bread he wasn't talking about food but the word and when God gave Israel manna in the wilderness the significance of it wasn't how it filled the tummy but to show how God would always provide daily spiritual meat for those that search for it To read the Bible is one thing but to teach it is quite another Many of us find ourselves having to teach the Bible either at home to our children or as lay teachers or ministers or group leaders It can be exhausting to try and find sustenance in sometimes impenetrable text of the old testament Using the *Discovering the Old Testament* series gives you a framework of Bible thoughts for each chapter of the Bible allowing you to start discussion create Bible talks and sermons or simply dig deeper in your own study About the series Short accessible studies referenced by chapter topic theme keywords or by individual verse Suitable for study group leaders lay preachers clergy and anyone needing a framework with which to teach the contents of the Bible Ideal to use to generate blog posts and longer articles Sourcebook for personal Bible studies and ongoing learning Dense information ready to unpack into short thoughts sermons Bible studies and talks of every kind Individual books combine to form a set covering the whole Old Testament of the Bible About the author Rob de Jongh is a lifelong Bible student and has been sharing his perspective on the Bible through talks studies and group work for the last 20 years He has written over one thousand Bible studies and has become known for his fresh perspective accessible writing style and ability to make the Bible relevant He formerly worked as a non fiction editor alongside some of the world's best educators and helped to devise bestselling books for two successive publishers Hidden Riches Christopher B.
