**Reforming the Agricultural Sector in China** Justin Yifu Lin, 1990 Number 91.1 in the *TChina Working Papers* series which complements the National Centre for Development Studies *TMonograph* series This paper examines the sweeping agricultural reforms initiated in China in 1979 and analyses the problems which the reforms were intended to remedy and the achievements that have resulted Includes a number of statistical tables and a detailed list of references

**Agricultural Reform in China** Yiping Huang, 1998-01-13 Chinese agriculture has experienced some radical changes over the past twenty years Following the successful introduction of the household production system in the early 1980s difficulties were encountered in establishing a unified domestic agricultural market in the later 1980s and 1990s Through a comprehensive analysis of the changes in the Chinese agricultural

institutions between the late 1970s and the mid 1990s this study attempts to provide some answers to the main questions presently facing the agricultural sector It focuses on the key elements of the pre reform agricultural institutions reviews the ways these institutions were refashioned and assesses the resulting changes in agricultural development The implications of different policy choices are carefully considered with the assistance of a computable general equilibrium model The author argues that China should push forward with its market oriented reform measures and introduce the rigours of international competition into the agricultural sector Reform and Development in Rural China Du Runsheng,2016-07-27 The 19 speeches in this volume explain many aspects of China s market based rural economic reforms They were delivered primarily to groups of government or Party officials by Du Runsheng director of the Rural Development Research Center RDRC of China s State Council for much of the 1980s The book includes an introductory chapter describing the history of rural economic policy in the People s Republic of China notes by Du Runsheng and a glossary of important Marxist and Chinese economic terms **Reform and Development of Agriculture in China** Zhou Li,2017-02-09 This book provides a detailed review of the accumulated experience and lessons from China s agricultural reform and opening up since the late 1970s examining various aspects of this transition and providing a new perspective that can contribute to developing economic theories The success of China s reform and opening up creates benefits for farmers and is driven by farmers The past experience problems revealed and lessons learned from failures of market orientated and progressive reform can provide valuable guidance for those developing countries still lagging behind China *Rural Reforms, the Weather, and Productivity Growth in China's Grain Sector* Bin Zhang,Colin Andre Carter,1994 *The Political Economy of Agro-Food Markets in China* L. Augustin-Jean,B. Alpermann,2013-11-19 China s agricultural production and food consumption have increased tremendously leading to a complete evolution of agro food markets The book is divided into two parts the first part reviews the theoretical framework for the social construction of the markets while the second part presents the implication for the agro food markets in China **Agricultural Reform in China** Simon Powell,1992 China's Grain Economy Liming Wang,John Davis,2019-06-03 This book was originally published in 2000 China is the largest developing country in the world and is still heavily based on agriculture Currently about 70 per cent of China s total of more than one billion people live in rural areas and about half of the total national labour force is involved in agricultural activities It is clear that agriculture is the foundation for the development of the Chinese national economy Within agriculture the grain economy is the most important sector indeed it has been recognised as a treasure in managing the country by all past Chinese dynasties Ensuring enough grain supply to meet the demands of such a huge population seems to be a long term goal for the Chinese government and this book explores whether China will be able to produce enough grain to keep pace with its population increases *The China Handbook* Christopher Hudson,2014-06-03 The Regional Handbooks of Economic Development series provides accessible overviews of countries within their larger domestic and international contexts focusing on the

relations among regions as they meet the challenges of the twenty first century Like the other titles in the series the China Handbook explores a wide range of complex factors including overviews of the region s economic conditions within an historical and political context as well as 20 or more chapter length essays written by recognized experts which analyze the key issues affecting a region s economy its population natural resources foreign trade labor problems and economic inequalities and other vital factors In addition this resource offers a detailed chronology of events in the region a glossary of terms biographical entries on key personalities an annotated bibliography of further reading and a comprehensive analytical index

**China's Second Revolution** Harry Harding,2010-12-01 China has since 1976 been enmeshed in an extraordinary program of renewal and reform The obvious changes the T shirts blue jeans makeup and jewelry worn by Chinese youth the disco music blaring from radios and loudspeakers on Chinese streets the television antennas mushrooming from both urban apartment complexes and suburban peasant housing the bustling free markets selling meat vegetables and clothing in China s major cities reflect a fundamental shift in the government s policy toward the economy and political life Although doubts about the long term commitment to reform arose after the student protests in December 1986 and the dismissal of Party General Secretary Hu Yaobang in January 1987 the scope of reform has been so broad and the pace of change so rapid that the post Mao era fully warrants Den Xiaoping s description of it as the second revolution undertaken by the Chinese Communist Party

China's Economic Reform Gao Shangquan,2016-07-27 Friends of China can help her best by maintaining broad but not uncritical support and striving for a deeper understanding of this ancient culture and the political and economic structure of the nation Professor Gao s book is a major contribution to this process Sir Edward Heath What are the reasons behind China s new move to reform What has been experienced and what lessons can now be drawn Is China facing new problems in its reform road What of its future Professor Gao one of China s leading reformers examines and authoritatively assesses China s reform over the last fourteen years Incorporating a broad range of theoretical applied and policy materials this book features many current topics and up to date tables graphs and statistics

China's Agriculture at the Cross Roads Y. Yang,W. Tian,2000-01-27 China now faces the difficult choice of whether to pursue a food self sufficiency policy or further integrate its agriculture into the world market China s choice will have profound implications for the world trading system as well as for its own economy At the same time China needs to reform its land tenure and grain marketing systems This book examines these majority policy issues using up to date information and empirical evidence

*Contemporary Chinese Rural Reform* Xiang Wu,2015-12-30 This book offers an eyewitness account of China s twenty years of rural reform It records the successive changes in different types of China s rural economic systems from rural cooperatives to the people s communes to the household responsibility system It demonstrates that as the starting point of rural reform the household contract management played an unexpected role in promoting the acceleration of China s modernization process Further the book presents a systematic explanation for the cause and results of the reforms without

which it would be impossible to fully comprehend the rise of China over the last three decades

**The Reform and Development of China's Rural Economy** Shangquan Gao, Fulin Chi, 1997     *Agricultural Development and Problems in China Today* Chao Kuo-Chun, 1958     *The Role of Agriculture in the Transition Process Towards a Market Economy* Jonathan Kydd, 1997
