Air Aces:

Air Aces Dan McCaffery, 1990 A thoughtful account of the nature of war and wartime heroism Air Aces examines the myth of the fighter ace showing why it emerged in the First World War and waned thereafter **The Greatest Air Aces Stories Ever Told** Robert Barr Smith, Laurence J. Yadon, 2017-04-03 In thirty five chapters The Greatest Air Aces Stories Ever Told covers many of the leading American and British Commonwealth fighter aces of WW I and II together with a few bomber crews whose gallantry made a substantial contribution to the end of WW II Other nations had their aces but this book concentrates on American and Commonwealth pilots These aviators were chosen not only because of their scores and their great courage but also for other qualities which set them apart like the WWII Royal Air Force Wing Commander who shot down more than 20 Germans while flying with two artificial legs Here are a few of the aces Note that the air forces of Europe and the United States did not always have today's names used here for simplicity's sake Albert Ball RAF son of the Lord Mayor of Nottingham winner of the Victoria Cross He had 44 victories in WWI when he was killed at the age of 20 well known to his German foes who much admired him Gabby Gabreski USAF Son of hard working Polish immigrants An ace in WWII with 28 kills and later in Korea with another six He was an accomplished commander finished a long career as a colonel Mick Mannock RAF Tough and aggressive in spite of his fear of fire he won not only the Victoria Cross but five other high awards for gallantry Highest British scorer of WWI with 73 victories he detested Germans and rejoiced with every kill He was shot down by ground fire in the last year of the war David McCampbell USN Scored 34 WWII kills to become the US Navy's all time ace In 1944 set an all time record with nine victories on a single mission Winner of the Congressional Medal Pickard RAF Led the RAF rooftop bomber raid on Amiens Prison In WWII freeing many underground members some of whom were facing death and who were promptly spirited away by French partisans Frank Luke USAF Deadly American famous for his busting of German observation balloons in WWI Shot up over German territory he managed to land safely but being Luke tried to fight it out with enemy infantrymen with only his pistol The book will also touch on the equipment these aces flew from the famous Fokkers and Sopwith Camels to the ungainly two seater FE2b which was driven by a pusher engine and looked like a bathtub with wings and a miniature oil derrick glued on the back Also included are our own Grumman carrier fighters the P 40s the P 38s as well as the P 51 Mustang probably the finest fighter of the war a happy marriage of an American airframe and a British engine The deadly graceful Spitfire has its place as do the Hurricane the biplane Gladiator and even the four engine Lancaster *Greatest Air Aces of All Time* Anil Chopra, 2022-02-28 A flying Ace fighter Ace or Air Ace is a military aviator credited with shooting down five or more enemy aircraft during aerial combat The concept of the Ace emerged in 1915 during World War I at the same time as aerial dogfighting This book covers 25 of the greatest Air Aces across wars nationalities and countries Air Aces of World War II Robert Jackson, 2003 The conflict in the skies above the combat zones of World War II bred a new legion of heroes Boys became men in weeks and many became

commanders and leaders before the age of twenty five These young pilots were flying for their lives on every dangerous sortie and in every type of aircraft From the heavy bomber struggling to its target in the German Ruhr to the shipboard fighter fired into combat by a carrier s catapult in the vast expanse of the Pacific Ocean every pilot honed his skills to take on the enemy and survive They were all brave men but some have become legends Pilots like Guy Gibson leader of the famous Dam Buster s raid Don Gentile an ace in the Mustang fighter defending allied heavy bombers deep over enemy Europe John Cat s Eyes Cunningham top scoring night fighter ace or Leon W Johnson leader of the low level raid on Ploesti oil refinery complex in Romania These are some of the hundred heroes included in this compact reference to the history and record of allied and enemy aces of World War II
