insider s account of the Garifuna in New York City from 1943 to the present day In recent years Latinos primarily Central
American migrants crossing the southern border of the United States have dominated the national media as the legitimacy of
their detention and of U S immigration policy in general is debated by partisan politicians and pundits Among these migrants
seeking economic opportunities and fleeing violence from gangs and drug traffickers are many Central American Garifuna
This fascinating book is the long overdue account written by a Garifuna New Yorker of the ways that Garifuna immigrants
from Guatemala Belize and Honduras have organized themselves and become a vibrant presence in New York City from the
time of their first arrivals in the 1940s to the present The author documents four generations of Garifuna people in New York
City who were active in the organizations at the heart of their community Garifuna organizations have expanded and
diversified over time from being primarily concerned with simply providing a space to gather for social events and some self
help groups for seamen who were the first migrants to a wide variety of organizations today that range from those focused on
culture music dance religion language sports media to those concentrating on economic development political engagement
and representation immigration issues health concerns and transnational projects related to the situation of Garifuna in their
Central American communities As the Garifuna population grew their organized entities simultaneously increased The legacy
of the Garifuna ethnic group is one of heroic resilience They challenged colonial European suppression and grew from an
estimated population of 2 000 to a growing 600 000 in the present day After wars defending their original settlement on the
Caribbean island of St Vincent the remaining Garifuna were rounded up and expelled from the territory to Central America
and from there they eventually immigrated to the United States In New York City an estimated 200 000 Garifuna live in the
five boroughs with their largest population in the Bronx Having overcome numerous challenges this Black Indigenous ethnic
group is now known for its significant involvement in both Central American as well as U S societies The Garifuna are
integrated into the fabric of New York City as a distinctive Afro Latinx African Diaspora ethnic group known for its cultural
and political impact Garifuna organizations are at once concerned with creating alliances with a diversity of many other
groups and also focused on dealing with issues specific to the unique culture history and situation of the Garifuna They
provide an interesting case study on whether and how Black ethnic groups assimilate with African Americans And awareness
of this group its culture and its contribution to American society is essential to understanding a growing segment of the
