## **American Space Jewish Time:**

American Space, Jewish Time Stephen J. Whitfield, 2017-07-05 This is a delightful book a small gem replete with insightful provocative pieces about both American culture and Jewish life I think that Stephen Whitfield is one of the most original essayists on these two topics Few other scholars combine the density of his knowledge with the verve of his prose Hasia R Diner New York University *Key Texts in American Jewish Culture* Jack Kugelmass, 2003 *Key Texts in American Jewish Culture* expands the frame of reference used by students of culture and history both by widening the canon of Jewish texts and by providing a way to extrapolate new meanings from well known sources Contributors come from a variety of disciplines including American studies anthropology comparative literature history music religious studies and women s studies Each provides an analysis of a specific text in art music television literature homily liturgy or history Some of the works discussed such as Philip Roth s novel *Counterlife* the musical *Fiddler on the Roof* and Irving Howe s *World of Our Fathers* are already widely acknowledged components of the American Jewish studies canon Others such as *Bridget Loves Bernie* infamous for the hostile reception it received among American Jews may be considered key texts because of the controversy they provoked Still others such as Joshua Liebman s *Piece of Mind* and the radio and TV sitcom *The Goldbergs* demonstrate the extent to which American Jewish culture and mainstream American culture intermingle with and borrow from each other *American Journal of Islamic Social Sciences* 9:3 Abdul Khaliq, J. L. Berggren, Fawzia Bariun, Louay Safi, Marie Parker-Jenkins, Jonathan D. The Civil Sphere Jeffrey C. Alexander, 2006-08-03 How do real individuals live together in real societies in the real world Jeffrey Alexander's masterful work *The Civil Sphere* addresses this central paradox of modern life Feelings for others the solidarity that is ignored or underplayed by theories of power or self interest are at the heart of this novel inquiry into the meeting place between normative theories of what we think we should do and empirical studies of who we actually are A grand and sweeping statement *The Civil Sphere* is a major contribution to our thinking about the real but ideal world in which we all reside

**South of the South** Raymond A. Mohl, 2020-10-15 A must read for anyone interested in the history of civil rights the roles and varied motivations of southern Jews in the movement the interaction of blacks and Jews the role of hate groups and the anti communist hysteria in silencing or harassing the forces of positive change and the specific place of Miami Miami Beach and Florida in the struggle Raymond Mohl's writing style is dynamic and fully accessible for the lay as well as scholarly audience that I expect this work will attract Mark K Bauman Atlanta Metropolitan College Using unusual and revealing primary materials from the careers of two remarkable Jewish women Raymond Mohl offers an original interpretation of the role of Jewish civil rights activists in promoting racial change in post World War II Miami He describes the city's political climate after the war as characterized by segregation aggressive anti-Semitism and a powerful strain of cold war McCarthyism In this hostile environment the dynamic leadership of two northern newcomers Matilda Bobbi Graff and Shirley M Zoloth played a critical role in the city's campaign for racial reform Working with the Miami chapter of the Civil Rights Congress established in 1948 Graff was instrumental in the organization's stand against the Ku Klux Klan its protests against lynchings and police brutality and its work with Florida's black civil rights leaders such as Harry T Moore With the Miami Congress of Racial Equality Zoloth helped to launch a lunch counter sit in campaign a year before the more famous student sit ins of 1960 that ultimately resulted in the desegregation of downtown public accommodations This analysis of the movement between 1945 and 1960 substantiates a new but now dominant interpretation of civil rights history that sees grassroots action as the powerful engine that drove racial change It emphasizes the major role played by women in the cause and documents the variety of civil rights experiences of Jews who migrated to Miami in large numbers during the mid century decades Committed to social justice they built activist organizations challenged segregationists and anti Semites

and worked with black activists to break down Jim Crow barriers Original documents written by both women including Graff's autobiographical memoir demonstrate a level of Jewish activism especially by women that was unique for the time and place the postwar American South Their own words vividly describe fear harassment family and community pressures government intrigue and individual betrayal As Mohl's groundbreaking history illustrates the perseverance of these women and their small band of supporters is a testament to their strength and an inspiration for continued reform in America Raymond A Mohl professor of history at the University of Alabama Birmingham is the editor of *Searching for the Sunbelt Historical Perspectives on a Region* and the coeditor of *The New African American Urban History and Urban Policy in Twentieth Century America* *The American Jewish Times*, 1939 **Jews and the American Public Square** Alan Mittleman, Robert Licht, Jonathan D. Sarna, 2002-09-04 Jews and the American Public Square is a study of how Jews have grappled with the presence of religion both their own and others in American public life It surveys historical Jewish approaches to church state relations and analyzes Jewish responses to the religion clauses of the First Amendment his book captures the current mood of the Jewish community both committed to the separation of church and state and perplexed about its scope and application It provides the necessary background for a principled reconsideration of the problem of religion in the public square **American Jewish Year Book** Cyrus Adler, Henrietta Szold, 1923 Issues for 1900 01 include report of the 12th year of the Jewish Publication Society of America 1890 1900 issued also separately in some year issues for 1908 09 include Report of the American Jewish Committee for 1906 08 issued also separately in some years **Jewish Book Annual** Solomon Grayzel, 1958 **The Schocken Guide to Jewish Books** Barry W.
