America's Way Back Donald Devine, 2014-04-08 The solution for the modern GOP Intellectual ammunition for the modern conservative movement SENATOR RAND PAUL How can America recover from economic stagnation moral exhaustion and looming bankruptcy Donald J Devine shows the way Devine a longtime adviser to Ronald Reagan lays out a powerful case for the philosophical synthesis of freedom and tradition that Reagan said was the essence of modern conservatism The secret of America's success he shows has been the Constitution's capacity to harmonize the twin ideals of freedom and tradition But today progressivism has so corrupted modern political thinking in both parties that leaders keep calling for the same failed tactics more money poured into more big government programs In America's Way Back Devine not only reveals where things went wrong and why but also points the way to reclaiming America's freedom prosperity and creativity The solution lies in a new fusion of traditional and libertarian thought
