Americas Bachelor President And The First Lady:

America's Bachelor President and the First Lady Milton Stern, 2004-08 He was the only president from Pennsylvania He was the last president to be born in the eighteenth century He was the last of the Federalist Era presidents He was the eighth in a line of successive one term presidents He was the last president to serve before the Civil War Inaugurated in 1857 he was the last Democrat to serve as chief executive until President Grover Cleveland took the oath of office in 1885 His niece would be the first woman to be referred to as First Lady She would establish a style that would not be witnessed again until the Kennedy administration in the 1960s He was our only bachelor president His closest friend for nearly twenty years would be our only bachelor vice president He may have been a homosexual He was blamed for the Civil War After his death she would continue in public life establishing a pediatric center a national gallery a boys school and a monument in his honor He was the fifteenth president of the United States and she was his official hostess and the envy of every woman in America He was James Buchanan and she was Harriet Lane Harriet Lane, America's First Lady Milton Stern, 2005 She was the niece of America's Bachelor President and his official hostess in Lancaster London and Washington Anyone who met her was instantly enamored Queen Victoria bestowed upon her the title Honorary Ambassador The Washington press corps proclaimed her Our Democratic Queen She was the first White House Hostess to be called First Lady Ships were named after her Songs were written about her Women dressed like her She was the most admired woman in the country and established a style of entertaining never before seen in the White House And only she could get away with beating the Prince of Wales at bowling Her life was marked by tragedy yet she lived every day to the fullest Her legacy lives on in Baltimore and Washington through a pediatric hospital a school for boys a museum of art and a monument to James Buchanan Thanks to her beauty charm and generosity of spirit America's First Lady will always be Harriet Lane *The American Presidents From Polk to Hayes* Robert A. Nowlan, Ph.D., 2016-01-31 American Presidents Polk to Hayes What They Did What They Said What Was Said About Them is the second book in a planned five volume series covering all the Presidents These 43 men so far have succeeded in some regards and failed in others as they strove to do the best they could in what is surely one of the most difficult jobs in the world Only they can truly appreciate what it takes to be the president Others can only speculate People feel strongly about U S Presidents Some they admire others they hate It is fair game to criticize a president's actions and policies However questioning their commitment to American ideals seems like hitting below the belt There are no willing villains Most people can find justification for their actions beliefs and prejudices Each president strove to do the best he could for the nation and its people This goal of the book is not to praise presidents nor is it to condemn them The subtitle of each of the five books in the series What They Did What They Said What Was Said About Them perfectly describes the approach adopted to tell their stories in a unique way meant to entertain as well as inform Readers are asked to make their own judgments of the presidencies based on more information than the semi-myths they may recall History courses or what is

preached in the many longstanding and despicable negative campaigning mudslinging and character assassination reports they hear from partisans One can find much to admire about each of the presidents and unfortunately much to deplore Soldiers are told that in giving salutes to officers is not honoring the individuals but rather their rank If there are presidents readers just feel they cannot salute hopefully they can salute the presidency
