## BENEDICT ARNOLD BETRAYS THE COLONIES

*Allison Stark Draper*

WEST POINT, 1780 -

The plan was for the British to attack West Point. Arnold would pretend to fight the British. Then he would give up. A British officer on his way to meet Arnold was caught by the Americans. He had papers signed by Arnold on his shoe. This proved that Arnold was working for England.

## **Americas First Traitor:**

*America's First Traitor* Allison Stark Draper, 2001 Briefly describes the military exploits of Benedict Arnold first for the Americans and later for the British *American Traitor* Howard W. Cox, 2023-06-01 A fresh examination of the life and crimes of the highest ranking federal official ever tried for treason and espionage *American Traitor* examines the career of the notorious Gen James Wilkinson whose corruption and espionage exposed the United States to grave dangers during the early years of the republic Wilkinson is largely forgotten today which is unfortunate because his sordid story is a cautionary tale about unscrupulous actors who would take advantage of gaps in the law oversight and accountability for self dealing Wilkinson's military career began during the Revolutionary War and continued through the War of 1812 As he rose to the rank of commanding general of the US Army Wilkinson betrayed virtually everyone he worked with to advance his career and finances He was a spy for Spain plotted to have western territories split from the United States and accepted kickbacks from contractors His negligence and greed also caused the largest peacetime disaster in the history of the US Army Howard W Cox picks apart Wilkinson's misdeeds with the eye of an experienced investigator *American Traitor* offers the most in depth analysis of Wilkinson's court martial trials and how he evaded efforts to hold him accountable This astounding history of villainy in the early republic will fascinate anyone with an interest in the period as well as readers of espionage history

*The Treason of Benedict Arnold, 1780* Robert Kraske, 1970-01-01 Relates the events which led Benedict Arnold to become America's first traitor emphasizing his skill as an American general and his secret dealings with the British *Traitor* David Rothkopf, 2024-03-26 Rothkopf does a brilliant job defining precisely how Trump has been aiding and abetting the enemy compelling *Financial Times* Political historian and commentator David Rothkopf shows how Trump will be judged by history Spoiler alert not well in *Traitor* Donald Trump is unfit in almost every respect for the high office he holds But what distinguishes him from every other bad leader the U S has had is that he has repeatedly egregiously betrayed his country Regardless of how Senate Republicans have let him off the hook the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous He has clearly broken faith with the people of the country he was chosen to lead starting long before he took office then throughout his time in the White House And we may not yet have seen the last of his crimes But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history is the president of the United States the greatest threat this country faces in the world We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective After his examination of traitors including Benedict Arnold Aaron Burr and leaders of the Confederacy David Rothkopf concludes that Donald Trump and his many abettors have committed the highest level greatest most damaging betrayal in the history of the country *The Book of Bastards* Brian Thornton, 2010-07-18 Move over Benedict Arnold Oh to be sure America's first traitor is one of the 101 bastards you will find

in this one of a kind account of bad guys in Washington But compared to some of the gross misconduct in this frighteningly funny history book well let s just say he s in good company This page turner of a potboiler reveals all the dirtiest little secrets readers never learned in history class From illegitimate children we thought Grover Cleveland was too boring to have sex and illicit trysts Warren G Harding in the White House phone booth with his secretary to turncoats make up your own mind about Daniel Ellsberg and traitors General Wilkinson aka a Spanish secret agent you will discover all the dirt worth dishing since the founding of Jamestown The Book of Bastards because what you don t know about the history of our great nation can make you laugh and cry **Spies, Patriots, and Traitors** Kenneth A. Daigler,2014-04-23 Explores intelligence and espionage during the Revolutionary War and the key role this information played in the colonies gaining their independence

**Treason in America** Jules Archer,2016-06-14 Treason can be defined as the breach of the allegiance which a person owes to the state under whose protection he lives But what exactly does it mean to be guilty of a breach of the allegiance owed to your country In a country that guarantees freedom of speech and dissent tp all citizens the extent to which dissent becomes unlawful may not always be clear Treason is punishable by the death penalty underscoring the importance of the question How do we go about proving that someone is indeed an enemy of his country a traitor In this book renowned historian Jules Archer explores different cases of treason throughout our history while encouraging young readers to really question the definition of treason and how it should be treated He asks readers to consider the similarities between disloyalty and dissent and ultimately urges this generation to take it into their own hands to redefine American duties and liberties for our time *The American Mercury* ,1954 **Viereck's** ,1917 **America** Stephen Morrell Newman,1885 [America Rebels](#) John Harris,1976 [The Magazine of American History with Notes and Queries](#) John Austin Stevens,Benjamin Franklin DeCosta,Henry Phelps Johnston,Martha Joanna Lamb,Nathan Gillett Pond,1877 **Benedict Arnold** Jeannette Covert Nolan,1956 A biography of the American general who became America s first traitor **U.
