The World's History: Pre-history. America and the Pacific ocean Hans Ferdinand Helmolt,1901 An English adaptation of Helmolt s Weltgeschichte with a rejection of sections which did not seem quite adequate from the point of view of its English readers Publisher s note

Beyond the Crisis in US American Studies David E. Nye,2007 This volume celebrates the 40th anniversary of the journal American Studies in Scandinavia which began publication in 1967 The first of a series of books that will bring together the distinctive scholarship of the Nordic Association for American Studies it situates Scandinavian practices in relation to American Studies debates inside the US where for a decade scholars argued about the shape and subject matter of the field Is this a crisis in American Studies as a whole Or is the problem largely confined to the United States How is this interdisciplinary activity different in a Scandinavian context These questions ultimately are about the field s direction and international coherence *Beyond the crisis in US American Studies* is an invitation to develop a dialogue across the Atlantic For too long European scholars have watched Americanists in the United States as though looking through a one way window invisible to those arguing on the other side of the glass For too long US Americanists have scarcely realized that what appeared a mirror could be a window
