**Institute for Research on Public Policy**

## **Americas In Transition The Contours Of Regionalism:**

The Americas in Transition Gordon Mace, Louis Bélanger, 1999 The FTA Mercosur the Enterprise for the Americas Initiative NAFTA the Summit of the Americas do these constitute building blocks in the construction of a new regional system This book explores that question offering an assessment of the state of regionalism in the Americas Brazil, the United States, and the South American Subsystem Carlos Gustavo Poggio Teixeira, 2012-07-30 The United States has often acted as an empire in Latin America Nevertheless there has been an obvious dissimilarity between U S actions in South America and U S actions in the rest of Latin America which is illustrated by the fact that the United States never sent troops to invade a South American country While geographic distance and strategic considerations may have played a role they provide at best incomplete explanations for the U S s relative absence south of Panama The fact that the United States has had a distinct pattern of interactions with South America is thus not captured by the typical concept of Latin America In Brazil the United States and the South American Subsystem Regional Politics and the Absent Empire Carlos Gustavo Poggio Teixeira recuperates the virtually neglected literature on regional subsystems In so doing Teixeira maintains that researchers of inter American relations would greatly benefit from a characterization reflecting actual regional realities more than entrenched preconceptions Such a characterization involves subdividing the Western Hemisphere in two regional subsystems North and South America This subdivision allows for uncovering regional dynamics that can help explain the U S s limited interference in South American affairs compared to the rest of Latin America This book argues that the role of Brazil as a status quo regional power in South America is the key to understanding this phenomenon Through a historical analysis focusing on specific cases spanning three centuries this research demonstrates that Brazil regardless of particular domestic settings has deliberately affected the calculations of costs and benefits of a more significant US involvement in South America While in the past Brazil has taken actions that resulted in increasing the benefits of the U S s limited involvement in South America in more recent times it has sought to increase the costs of a more significant U S presence Teixeira then considers some of the theoretical and political implications of the framework laid out by this research Brazil the United States and the South American Subsystem is a groundbreaking investigation of U S Latin American relations and the politics of imperialism

Routledge Handbook of Latin America in the World Jorge Dominguez, Ana Covarrubias, 2014-10-17 The Handbook of Latin America in the World explains how the Latin American countries have both reacted and contributed to changing international dynamics over the last 30 years It provides a comprehensive picture of Latin America s global engagement by looking at specific processes and issues that link governments and other actors social and economic within the region and beyond Leading scholars offer an up to date state of the field theoretically and empirically thus avoiding a narrow descriptive approach The Handbook includes a section on theoretical approaches that analyze Latin America s place in the international political and economic system and its foreign policy making Other sections focus on the main countries actors and issues in

Latin America's international relations In so doing the book sheds light on the complexity of the international relations of selected countries and on their efforts to act multilaterally The Routledge Handbook of Latin America in the World is a must have reference for academics researchers and students in the fields of Latin American politics international relations and area specialists of all regions of the world

**The New American Regionalism** Heinz Gert Preusse,2004 Recoge 1 Regionalism between Politics and Economics 2 Globalization and Multilateralism 3 The Economics of the New Regionalism 4 The North American Free Trade Agreement NAFTA 5 MERCOSUR 6 The Free Trade Area of the Americas FTAA

**Handbook of South American Governance** Pia Riggirozzi,Christopher Wylde,2017-12-14 Governance in South America is signified by strategies pursued by state and non state actors directed to enhancing some aspect of their capabilities and powers of agency It is about the spaces and the practices available demanded or created to make politics happen This framework lends explanatory power to understand how governance has been defined and practiced in South America Pia Riggirozzi and Christopher Wylde bring together leading experts to explore what demands and dilemmas have shaped understanding and practice of governance in South America in and across the region The Handbook suggests that governance dilemmas of inequitable and unfulfilled political economic governance in South America have been constant historical features yet addressed and negotiated in different ways Building from an introduction to key issues defining governance in South America this Handbook proceeds to examine institutions actors and practices in governance focusing on three core processes evolution of socio economic and political justice claims as central to the demands of governance governance frameworks foregrounding particular issues and often privileging particular forms of political practice and iterative and cumulative processes leading to new demands of governance addressing recognition and identity politics This Handbook will be a key reference for those concerned with the study of South America South American political economy regional governance and the politics of development

**North America in Question** Jeffrey Ayres,Laura MacDonald,2012-09-26 Can North America survive as a region in light of the political turbulence provoked by the global economic crisis Or have regional integration and collaboration reached a plateau beyond which disintegration is likely In North America in Question leading analysts from Canada the United States and Mexico provide theoretically innovative and rich empirical reflections on current challenges sweeping the continent and on the faltering political support for North American regionalism This collection begins by reviewing the recent trajectories and events that have undermined North America's trilateral relationship then addresses concerns that go beyond NAFTA and economic issues including labour immigration energy the environment quality of citizenship borders women's and civil society struggles and democratic deficits Although demonstrating that many informal dimensions of North American integration continue to flourish the contributors assess whether the future will hold greater economic instability security crises and emerging bilateral relationships

The Southern Cone Model Nicola Phillips,2004-08-02 This book provides an innovative and in depth account

of the contemporary political economy of capitalist development in the Southern Cone countries of Latin America Argentina Brazil Chile Paraguay and Uruguay Governing the Americas Gordon Mace, Jean-Philippe Thérien, Paul Alexander Haslam, 2007 This is a systematic assessment of the functioning of hemispheric institutions since the introduction of the Summit of the Americas process in 1994 The text evaluates the effectiveness of inter American institutions with regard to core issues of democratic governance security trade and economic development

**Relations Between the European Union and Latin America** Wolf Grabendorff, Reimund Seidelmann, 2005 The volume describes analyses and evaluates EU Latin American relation in general with special reference to MERCOSUR and the Caribbean It combines empirical analyses of the development of this relation with a systematic discussion of regionalisation and biregionalism and includes discussions about future developments In addition it relates this biregional relation into the general framework of global change U S EU Latin American relations and Latin American regionalisation processes The project summarizes results from a research project in which leading Latin American and European scholars jointly explored possibilities and limits of EU Latin American cooperation in the past present and future

**Latin American Democracies in the New Global Economy** Ana Margheritis, 2003 Analyzes the economic political and social dimensions of changes in Latin America toward more open economies and more democratic governance

**Canada and the Americas** Institute for Research on Public Policy, 2005 *Studies in Political Economy*, 2004 Latin American Research Review, 2004 An interdisciplinary journal that publishes original research and surveys of current research on Latin America and the Caribbean Working Paper, 2006

Challenges to Global Security Hussein Solomon, 2008 Ours is an age of great upheaval where change sometimes appears to be the only constant Three of the most important forces driving such change are globalization regionalization and democratization This substantial work makes a concerted attempt to understand these forces and to show how they impact on the vitally important question of global security The volume brings together a wide range of scholars who hold diverse views and who collectively make a very significant contribution to current discourses within international relations and contemporary geopolitics Such is the book's breadth that it covers every region of the world addressing in turn security problems in the USA Latin America South Asia South East Asia Europe Russia and environs the Middle East and Africa Each discourse receives substantial coverage from economics and politics to religion religious fundamentalism and human rights Challenges to Global Security offers one of the richest comparative volumes yet to be published on the subject and will have strong appeal to students scholars and policymakers in the fields of international relations ethics and politics

**Free Trade in the Americas** Sidney Weintraub, Alan M. Rugman, Gavin Boyd, 2004 This volume is the result of a conference on trade liberalization in the Western Hemisphere sponsored by Saint Mary's University Halifax in the Autumn of 2002 Foreword

**Running on Empty in Central America?** Imtiaz A. Hussain, 2006-02-14 Running on Empty explores the efforts of Canada Mexico and the U S to deepen their involvement in the economy of Central America Despite organized efforts and

initiatives all belong to NAFTA and FTA only the efforts of the U S succeeded while Canada failed and Mexico still struggles Why In this new work author A Imtiaz Hussain questions if it was in fact HOW they negotiated their case that precipitated their success or failure In a structured focused analysis which references the works of Richard Feinberg Mark Habeeb and Alexander George among others *Running on Empty* examines Canada s Central American Four Free Trade Agreement CA4FTA U S strategic imperatives such as CAFTA and their trading history in Central America and Mexico s ongoing reconstruction efforts The work also inquires about the implications of increased activity in the Central American economy such as widening societal and environmental gaps and CAFTA ratification strengthening FTAA momentum at Brazil s expense Intended for use by students and scholars of international politics and economics in North Central and Latin America and political scientists this work explores an increasingly prominent economic and political issue

**The Best Books for Academic Libraries: History of the Americas** ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers

**The Socialist Register** John Saville,2002

*Democratic Governance of the Security Sector Beyond the OSCE Area* Victor-Yves Ghebali,Alexander Lambert,2007 The present book addresses the prospects for security sector reform and governance regimes focusing on democratic civilian control of armed forces The geographic area of interest goes beyond that of the Organisation for Security and Cooperation in Europe OSCE i e outside the Euro Atlantic and Eurasian areas It assesses the extent to which the pioneering OSCE experience has inspired Africa and the Americas in terms of norms principles and procedures within their respective multilateral institutional settings

### **Americas In Transition The Contours Of Regionalism Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Americas In Transition The Contours Of Regionalism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Americas In Transition The Contours Of Regionalism has opened up a world of possibilities. Downloading Americas In Transition The Contours Of Regionalism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Americas In Transition The Contours Of Regionalism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Americas In Transition The Contours Of Regionalism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Americas In Transition The Contours Of Regionalism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Americas In Transition The Contours Of Regionalism, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Americas In Transition The Contours Of Regionalism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Americas In Transition The Contours Of Regionalism Books

1. Where can I buy Americas In Transition The Contours Of Regionalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
