Air Waves From Hell:

Air Waves from Hell Father Frank Poncelet,1991-01-01 *Airwaves* William O'Shaughnessy,1999 *Air Waves* is a collection of poignant vividly portrayed and emotion laden stories written for the airwaves under the guise of editorials of the air The broadcaster writer is William O Shaughnessy who took a small regional radio station in New Rochelle and turned it into what the Wall Street Journal has described as the quintessential community radio station in America WVOX is also his bully pulpit for defending our most precious freedoms *Treason on the Airwaves* Judith Keene,2008-12-30 This work traces the extraordinary journeys of three World War II radio broadcasters in Germany and Japan whose wartime choices became treason in Britain Australia and the United States John Amery a member of a well connected British family joined Hitler's propagandists in Berlin He was executed for treason by Britain after the war Charles Cousens was a soldier in Japanese captivity when he was put to work on Radio Tokyo with a team of Allied POWs Cousens was later tried as a traitor in Australia Iva Toguri better known as Tokyo Rose was an American student visiting Japan when war broke out She broadcast her English show on Radio Tokyo out of necessity rather than conviction The United States jailed Toguri for treason Through these powerful stories this work not only sheds new light on the history of wartime radio broadcasting in Germany and Japan but also examines the laws of treason in Britain Australia and the United States and the ways in which trials such as these helped shape modern day treason trials All three accounts provoke thoughtful questions as to the nature of justice and the justice of retribution This work traces the extraordinary journeys of three World War II radio broadcasters in Germany and Japan whose wartime choices became treason in Britain Australia and the United States **Hell's Angels** Hunter S.
