Pop Swagz Increased Sales with the Ad Factory & Content Marketing

Story Draws in Undiscovered Customers

A Unique Digital Storytelling Strategy

Pop Swagz chose to weave traditional storytelling techniques into their content and even went so far as to create "chapters" as a way to reach their audience and offer products for consideration. Each chapter appealed to a highly-specified target audience, and suggested there were many parts to the overall story that was Pop Swagz.

These stories were crafted to match the brand's existing voice, and serve as the essence behind Pop Swagz' content marketing strategy to engage potential customers.

Results that Speak Volumes

With a single campaign, Pop Swagz saw the following results:

- 98 million impressions
- 130% increase in organic social media traffic
- 18% growth in email subscriptions
- 27% increase to quarterly revenue

"Before Ad Factory, getting people on our website as a first-time visitor who would actually engage was a head-scratching challenge."
