Colonial Encounters In The Age Of High Imperialism:

Colonial Encounters in the Age of High Imperialism S. B. Cook, 1996 Colonial Encounters in The Age of High Imperialism is the first book in the new HarperCollins World History Series edited by Michael Adas This title examines the world transforming experience of Western imperialism during the period from 1870 to 1914 Case studies focusing Specifically on Belgium and the Congo Hawaii and the United States and India and Britain examine the experiences of both colonizers and colonized men and women elite officials and faceless laborers An introductory overview makes the study of imperialism relevant for today s students by showing them how the past relates to the present Chapter ending conclusions summarize important material and suggested in depth readings direct students to sources for further exploration The case studies provide detailed examination of particular places and moments and invite comparison with imperialism in other parts of the world Discussions of broader topics and larger issues such as population redistribution the spread of technology military invasion and the role of guns and medicine build upon the case studies [The Rise of Women's Transnational Activism](#) Marie Sandell, 2015-01-26 What characterised women s international co operation in the interwar period How did female activists from different countries and continents relate to one another Marie Sandell here explores the changing experiences of women involved in the major international women s organisations including the International Council of Women International Alliance of Women Women s International League for Peace and Freedom and the International Federation of University Women as well as the changing compositions and aims of the organisations themselves Moving beyond an Anglo American focus Sandell analyses what the term international sisterhood meant in this broader context which for the first time included women from the beyond the Western world Focusing on shifting identities this book investigates how notions of sisterhood were played out and contested during the interwar period and will be invaluable reading for scholars of women s history and twentieth century world history **Colonialism & Modernity** Paul Gillen, Devleena Ghosh, 2007 Few books tell such a broad global history using an interdisciplinary approach that blends historical and cultural scholarship Author based at UTS **Masculinity and the Other** Heather Ellis, Jessica Meyer, 2009-01-14 Histories of masculinity have generally examined both social ideologies of masculinity and subjective male identities within frameworks that define them against the feminine Yet historians and sociologists have increasingly argued that men have been and continue to be defined both socially and subjectively as much by their relations to other men as in relation to women This collection brings together the work of scholars of masculinities working in a variety of fields including literature history and art history to examine some of the forms of otherness against which ideas of masculinity have been defined throughout history The collection reflects the current breadth of scholarship relating to the study of masculine alterity While the subjects addressed are largely historical the time span covered is broad and the disciplinary approaches to the subject matter are equally wide ranging A huge variety of men masculine behaviours and definitions of masculinity are

considered in an exciting and invigorating collection that showcases both established academics and emerging scholars in the field

The Demographics of Empire Karl Ittmann, Dennis D. Cordell, Gregory H. Maddox, 2010-10-05 The Demographics of Empire is a collection of essays examining the multifaceted nature of the colonial science of demography in the last two centuries The contributing scholars of Africa and the British and French empires focus on three questions How have historians demographers and other social scientists understood colonial populations What were the demographic realities of African societies and how did they affect colonial systems of power Finally how did demographic theories developed in Europe shape policies and administrative structures in the colonies The essays approach the subject as either broad analyses of major demographic questions in Africa s history or focused case studies that demonstrate how particular historical circumstances in individual African societies contributed to differing levels of fertility mortality and migration Together the contributors to The Demographics of Empire question demographic orthodoxy and in particular the assumption that African societies in the past exhibited a single demographic regime characterized by high fertility and high mortality

Imperial steam Jonathan Stafford, 2023-04-11 Imperial steam explores the early history of steamship travel to Britain s imperial East Drawing upon the wealth of voyage narratives which were produced in the first decades of the new route to India the book examines the thoughts emotions and experiences of those whose lives were caught up with the imperial project The potent symbolism of the steamship which exceeded the often harsh realities of travel provided a convincing narrative for coming to terms with Britain s global empire not just for passengers but for those at home who consumed the ubiquitous accounts of steamship travel Imperial steam thus contributes to our understanding of the role of imperial networks in the production of the British imperial world view

The Debated Lands Andrew Hammond, 2007 A volume focusing on the popular genre of travel writing the book examines over 400 British and American literary texts in order to outline and account for the multiple ways in which the Balkans have been represented from the mid nineteenth century to the present day
