*Reclaiming Your Story* Merle R. Jordan,1999-01-01 Merle Jordan argues that many people spend their adult lives struggling to distinguish between the imperatives of divine authority and the deeply rooted psychological authority of family

structures Employing the wisdom of his experience as a pastoral psychologist as well as the insights of clinical researchers and therapists Jordan offers ways to demythologize false absolutes and to refocus distorted maps of reality *What's the Good of Counselling & Psychotherapy?* Colin Feltham, 2002-12-26 Presents the case for psychological therapy as seen by those regarded as being at the leading edge of practice *Beyond Death Anxiety* Robert Firestone, Joyce Catlett, 2009-07-20 This book fruitfully serves those looking to apply Ernest Becker's ideas psychotherapeutically in individual counseling or in group therapy A capstone to Robert Firestone's 50 years of work in psychotherapy psychoanalysis and psychiatry and to the numerous books written by these authors Firestone and Catlett show how to apply the themes and implications of the ideas of Ernest Becker in everyday life Their basic premise is that accepting death is part of developing an affirming and meaningful experience of life Contributing to the credibility of their presentation is the wealth of clinical evidence and personal experience Firestone and Catlett incorporate The Ernest Becker Foundation Fascinating and an enjoyable read steeped in well researched and relevant psychological and sociological perspectives applicable to all social studies areas Carol Lloyd University of Chichester Firestone and Catlett's work is a marvelous achievement This volume is both innovative and intrepid Firestone and Catlett challenge prevailing psychoanalytic views on death and they demolish many of the accepted canons of thanatology and existential psychology This is required reading for anyone who purports to talk about death Jerry Piven PhD Author of *Death and Delusion A Freudian Analysis of Mortal Terror* A towering synthesis of personal and clinical wisdom about death with a superb overview of the psychology of death and death anxiety Dr Firestone draws on the best of the existential humanistic as well as the psychoanalytic thinkers to address a flourishing path toward self realization Kirk J Schneider PhD Author *Existential Integrative Psychotherapy and Awakening to Awe* From the Foreword Firestone and Catlett's groundbreaking volume assists mental health practitioners in helping their clients learn to accept and face their mortality They describe the many defenses of death anxiety that keep individuals from achieving personal fulfillment and also suggest methods to cope directly with fears of death an approach that ironically can lead to more satisfaction more freedom and a greater appreciation for the gift of life This book examines the many destructive consequences of death anxiety including introversion depression and withdrawal from life Throughout the book the authors demonstrate the importance of achieving what they call life affirming death awareness Key topics include The dawning awareness of death and its impact on the developing child Literal and symbolic defenses against death anxiety Separation theory and the fantasy bond Challenging the defenses that interfere with living fully Microsuicide the death of the spirit Breaking with limiting religious dogma and cultural worldviews With this book mental health practitioners and their clients will be able to better understand death awareness overcome the defenses against death anxiety and ultimately lead richer more fulfilling lives **NIMHANS Journal**, 1998 *Cognition and Suicide* Thomas E. Ellis, 2006 Although substantial resources have been expended on suicide research and prevention suicide science remains in its infancy This book brings

together an impressive cast to bridge the gap between cognitive research and cognitive behavioral practice relating to suicide **Assessment, Treatment, and Prevention of Suicidal Behavior** Robert I Yufit, David Lester, 2005

Understanding of suicidal behavior has become more nuanced than it was years ago and it has become apparent that no one theory and no one therapy can fill all the many manifestations of self destructive feelings and behaviors from the foreword Editors psychologists Yufit Northwestern U Medical School and Lester Richard Stockton College of New Jersey both are specialists in suicide briefly introduce 18 contributions a few of their own aimed at bringing clinicians up to date on assessment and a myriad of treatment and prevention approaches The special issues section addresses the legacy of suicide coping in schools college students and suicide terrorism **A Handbook for Developing Multicultural Awareness** Paul Pedersen, 2000

This book examines multicultural awareness training through a three stage developmental sequence as a primary prevention strategy in counseling It attempts to lead readers to find examples of how multicultural awareness can make their counseling task easier rather than harder and can increase their satisfaction in working with clients from other cultures Chapter 1 highlights the three stage model of Awareness Knowledge Skill Chapter 2 details some of the rules to follow in a multicultural perspective to stimulate discussion Chapter 3 discusses the field of alternative therapies Chapter 4 covers the process of developing a cultural identity Chapter 5 presents culture as a pattern narrative or story about who we are and where we came from rather than focusing on current research in the field Chapter 6 focuses on what is not known about multiculturalism rather than focusing on current research in the field Chapter 7 looks at ethical guidelines for counselors Chapter 8 looks at how reframing conflict into cultural categories makes conflict easier to manage Chapter 9 reviews the Triad Training Model as a promising training approach Chapter 10 considers how multiculturalism had a powerful impact on the field of counseling and how this impact is increasing in importance This book also attempts to guide readers toward specific publications and resources already available on developing multicultural awareness Contains 347 references JDM Sex and Love in Intimate Relationships Robert Firestone, Lisa A. Firestone, Joyce Catlett, 2006 In clear language and conceptualization and through the liberal use of case material from therapy sessions the authors show how individuals can be helped to overcome these challenges and become physically and emotionally closer to their partners BOOK JACKET **The California Psychologist**, 2001 **Relational Therapy for Personality Disorders** Jeffrey J.

Magnavita, 2000 An important breakthrough in the treatment of one of the most challenging classes of psychological disorders This book introduces psychotherapists to Integrative Relational Psychotherapy IRP a dynamic new approach to the diagnosis and treatment of personality disorders that capitalizes on recent major advances in the fields of personology and therapy systems theory Combining a rigorous biopsychosocial model of personality with a relational framework for patient assessment and treatment planning IRP is designed to produce rapid and sustained systemic change in patients suffering from virtually all DSM identified personality disorders With the help of numerous case studies and vignettes drawn from his

own practice Dr Jeffrey Magnavita provides a remarkably lucid fully referenced presentation of the theoretical underpinnings of IRP He arms you with tested relational assessment tools psychometrics and interviewing techniques that can easily be incorporated into individual couples and family therapy practices And he develops clear guidelines for creating customized highly focused treatment strategies for individual clients or families that integrate an array of systemic intervention modalities to be administered sequentially or in combination
