The last time Brantley Kincaid had an argument with someone he was eighteen years old and he regrets it like he will never regret anything again If only he had not balked at going to pick up his grandfather that day his mother would not have driven into the path of a truck and there would be two fewer graves in Merritt Cemetery Though a frequent visitor he hasn't lived in Merritt since burying his mother and grandfather But now he's coming back and it might not be so easy to hide behind his wit and charisma

Outwardly interior designer Lucy Mead is a beautiful confident professional Inside she's the friendless overweight girl who spent her life following her archeologist parents all over the globe And who could forget those teenage years of turmoil and unrequited love It would have been kinder if Brantley had not known she was alive rather than treating her like Robin to his Batman She carries the humiliation to this day Their friends and Brantley's family are delighted when he sets his sights on Lucy though Lucy isn't so sure She cannot deny the attraction but something is wrong Does he really love her or does he see her as a refuge and another way to run from his grief If she can't find answers what could be a simple sweet life might go completely south

Broody bad boy Ryan LeDoux is hotter than a Houston sidewalk in July And I'm pretty sure he hates my guts My overprotective mother hates that I even know his name Any association with him might tarnish my reputation He's definitely not the kind of guy she keeps setting me up with in her ongoing effort to prevent her past from becoming my future She doesn't talk about it but I'm pretty sure my father was a bad boy too But I've never met him I've resigned myself to being some guy's trophy wife And really it's the smart thing to do The safe thing But before that happens I want just one night with someone who makes me feel something Someone who will kiss me like I've seen my friends husbands kiss them when they think no one will notice and who can't keep his hands off me someone like Ryan But not Ryan for obvious reasons Fate is funny sometimes though A work assignment puts me on a collision course with Mr LeDoux One on one I discover he's not who I thought he was And he doesn't hate me at all A fact that becomes painfully obvious when I finally work up the courage to approach him about that one night and he shoots me down Not because he's not interested but because one night wouldn't be enough And he doesn't think he's good enough for me Can I find the courage to live life on my own terms and go after what I really want
