Come Back:

The Comeback Cheryl Casone, 2016-05-03 Myth My kids will suffer if I work full time Reality Your kids will be fine In fact the example you set by going back to work may leave them better off Myth No company will want me since I don't have the skills I used to have Reality Don't sell yourself short You have unique skills and experiences that every company needs What you don't have you can learn Myth Getting back to work is impossible Reality Millions of women have made the comeback You can too Karyn never intended to work full time again after leaving to raise her two children But seven years later when a divorce seemed imminent she went job hunting only to find that getting back was as daunting as climbing Mt Everest With no resume no current contacts and no transferable skills for the jobs she was applying to Karyn didn't even know where to start Countless women face situations like this every day with little or no guidance They're told to lean in and lobby for more sympathetic workplaces but none of that solves the immediate practical problem I need a job Now Fortunately career expert and Fox Business anchor Cheryl Casone has written a comprehensive guide to making the comeback After interviewing hundreds of women who are willing to share both their successes and their mistakes Casone offers a one stop shop for moms at every stage of the process This is the perfect book if you're pregnant and wondering how to take an extended maternity leave without losing your contacts and momentum Trying to stay connected and relevant in your field while you're away Planning the timing of your comeback Thinking about what to say in interviews about the gaps in your resume Looking for creative alternatives if your former career just isn't possible anymore Struggling with prejudice against working moms The many real life stories in this book including Karyn's prove that with a smart strategy and some determination almost any mom can make a successful comeback In the process she can improve her standard of living her self esteem and probably also the well being of her kids As Casone writes No matter who you are no matter why change comes into your life I hope this book will help you to do what my mom did to stare that change in the face and say with confidence Bring it Your Comeback Interactive Workbook Tony Evans, 2018-05-08 You May Be Down but You're Not Out Your future can include an amazing comeback story This companion to Dr Tony Evans's Your Comeback DVD is perfect for individual or group study Find inspiration from biblical underdogs and modern day sports heroes and see how God has used those who are less than perfect to accomplish incredible feats This workbook provides brief passages from Tony's book Your Comeback key points and quotes from the DVD questions to promote reflection and conversation relevant Scripture passages to read and discuss activities for further personal study Learn to release your feelings of inadequacy and embrace the victory found in hope and redemption Use this resource to find your purpose and begin your comeback today **Making A Comeback** Jeffrey A. Johnson, 2008-09 If we are not living abundant lives how do we reclaim our lives in Christ Jesus said in John 10:10 The thief comes only to steal kill and destroy I am come that they might have life and that they might have it more abundantly Yet so many Christians fail to live an abundant life in fact too often they are just getting by just struggling to survive But God has so
