Living Among Cannibals Tom Harrisson,1948 Camping Among Cannibals Alfred St. Johnston,1883 Camping Among Cannibals Alfred St. Johnston,1886 Cannibal Talk Gananath Obeyesekere,2005-06-06 In this radical reexamination of the notion of cannibalism Gananath Obeyesekere offers a fascinating and convincing argument that cannibalism is mostly cannibal talk a discourse on the Other engaged in by both indigenous peoples and colonial intruders that results in sometimes funny and sometimes deadly cultural misunderstandings Turning his keen intelligence to Polynesian societies in the early periods of European contact and colonization Obeyesekere deconstructs Western eyewitness accounts carefully examining their origins and treating them as a species of fiction writing and seamen s yarns Cannibalism is less a social or cultural fact than a mythic representation of European writing that reflects much more the realities of European societies and their fascination with the practice of cannibalism he argues And while very limited forms of cannibalism might have occurred in Polynesian societies they were largely in connection with human sacrifice and carried out by a select community in well defined sacramental rituals Cannibal Talk considers how the colonial intrusion produced a complex self fulfilling prophecy whereby the fantasy of cannibalism became a reality as natives on occasion began to eat both Europeans and their own enemies in acts of conspicuous anthropophagy Among Cannibals Carl Lumholtz,2013-09-26 Hardcover reprint of the original 1889 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 All foldouts have been masterfully reprinted in their original form No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Lumholtz Carl Among Cannibals An Account Of Four Years Travels In Australia And Of Camp Life With The Aborigines Of Queensland Indiana Repressed Publishing LLC 2012 Original Publishing Lumholtz Carl Among Cannibals An Account Of Four Years Travels In Australia And Of Camp Life With The Aborigines Of Queensland New York C Scribner s Sons 1889 Subject Ethnology **Camping Among Cannibals** Alfred St Johnston,2018-10-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Among Cannibals** James Culhane Pierson,1980 **Among Cannibals , Cannibals and Head-hunters** Charles H.
