

An American Rhetoric

Thomas W. Benson

An American Rhetoric:

An American Rhetoric William Whyte Watt,1957 *An American Rhetoric* Willaim W. Watt,1970 An American Rhetoric ,1964 **An American Rhetoric** William Whyte Watt,1964 *The Routledge Reader of African American Rhetoric* Vershawn Ashanti Young,Michelle Bachelor Robinson,2024-11-01 The Routledge Reader of African American Rhetoric is a comprehensive compendium of primary texts that is designed for use by students teachers and scholars of rhetoric and for the general public interested in the history of African American communication The volume and its companion website include dialogues creative works essays folklore music interviews news stories raps videos and speeches that are performed or written by African Americans Both the book as a whole and the various selections in it speak directly to the artistic cultural economic gendered social and political condition of African Americans from the enslavement period in America to the present as well as to the Black Diaspora **On the Frontier of Science** Leah Ceccarelli,2013-11-01 The frontier of science is a metaphor that has become ubiquitous in American rhetoric from its first appearance in the public address of early twentieth century American intellectuals and politicians who aligned a mythic national identity with scientific research to its more recent use in scientists arguments in favor of increased research funding Here Leah Ceccarelli explores what is selected and what is deflected when this metaphor is deployed its effects on those who use it and what rhetorical moves are made by those who try to counter its appeal In her research Ceccarelli discovers that the frontier of science evokes a scientist who is typically male a risk taker an adventurous loner someone separated from a public that both envies and distrusts him with a manifest destiny to penetrate the unknown It conjures a competitive desire to claim the riches of a new territory before others can do the same Closely reading the public address of scientists and politicians and the reception of their audiences this book shows how the frontier of science metaphor constrains American speakers helping to guide the ends of scientific research in particular ways and sometimes blocking scientists from attaining the very goals they set out to achieve American Rhetoric ,2004 **American Rhetoric from Roosevelt to Reagan** Halford Ross Ryan,1987 The student of contemporary American public address rhetorical criticism and persuasion needs two fundamental kinds of original materials upon which to build a successful mastery of these disciplines I believe that the student can begin to study these disciplines by scrutinizing texts of speeches But which speeches should one study From many useful criteria I chose two that somewhat overlap First I selected significant or standard political speakers I make the word political go beyond mere party politics and use the word in its original and wider Greek sense of the polis the concerns of the state Second I selected speeches which can be treated as examples of advocacy or debate on important issues of the American polis pg xi **Rhetoric's Pragmatism** Steven Mailloux,2017-04-27 For over thirty years Steven Mailloux has championed and advanced the field of rhetorical hermeneutics a historically and theoretically informed approach to textual interpretation This volume collects fourteen of his most recent influential essays on the methodology plus an interview Following from the

proposition that rhetorical hermeneutics uses rhetoric to practice theory by doing history this book examines a diverse range of texts from literature history law religion and cultural studies Through four sections Mailloux explores the theoretical writings of Heidegger Burke and Rorty among others Jesuit educational treatises and products of popular culture such as Azar Nafisi's Reading Lolita in Tehran and Star Trek The Next Generation In doing so he shows how rhetorical perspectives and pragmatist traditions work together as two mutually supportive modes of understanding and he demonstrates how the combination of rhetoric and interpretation works both in theory and in practice Theoretically rhetorical hermeneutics can be understood as a form of neopragmatism Practically it focuses on the production circulation and reception of written and performed communication A thought provoking collection from a preeminent literary critic and rhetorician Rhetoric's Pragmatism assesses the practice and value of rhetorical hermeneutics today and the directions in which it might head Scholars and students of rhetoric and communication studies critical theory literature law religion and American studies will find Mailloux's arguments enlightening and essential

American Rhetoric Thomas W. Benson, 1989 Nine fresh views of the interconnections of historical critical and theoretical scholarship in the field of American rhetoric Stephen T Olsen addresses the question of how to determine the disputed authorship of Patrick Henry's Liberty or Death speech of March 23 1775 Stephen E Lucas analyzes the Declaration of Independence as a rhetorical action designed for its own time and drawing on a long tradition of English rhetoric Carroll C Arnold examines the communicative qualities of constitutional discourse as revealed in a series of constitutional debates in Pennsylvania between 1776 and 1790 James R Andrews traces the early days of political pamphleteering in the new American nation Martin J Medhurst discusses the generic and political exigencies that shaped the official prayer at Lyndon B Johnson's inauguration In Rhetoric as a Way of Being Benson acknowledges the importance of everyday and transient rhetoric as an enactment of being and becoming Gerard A Hauser traces the Carter Administration's attempt to manage public opinion during the Iranian hostage crisis Richard B Gregg ends the book by looking for conceptual metaphorical patterns that may be emerging in political rhetoric in the 1980s

Political Women Michele Lockhart, Kathleen Mollick, 2013-09-25 This collection examines the ways in which women have used political rhetoric and political discourse to provide leadership or assert their right to leadership at the national level While over the years women have broken through traditional roles they are still underrepresented in political leadership In this text scholars consider the various factors that continue to restrict political leadership opportunities for women as well as some of the ways in which individual women have strategically sought to enact political power and leadership for themselves The contributors analyze various case studies of leadership positions at the national level looking at women who have run been nominated to run or appointed to national positions The interdisciplinary approach lends itself to rhetoric political rhetoric political discourse leadership studies women's studies gender issues satire pop culture

Contesting the Subject William H. Epstein, 1991 Stanley Fish opens the collection with a persuasive argument for the role of intention and biography Michael

McKeon Gordon Turnbull and Jerome Christensen are concerned with the late eighteenth and early nineteenth century English cultural discourse that gave rise to the nearly simultaneous emergence of literary biography Romantic sensibility and reflexive human consciousness The essays by Alison Booth Cheryl Walker and Sharon O'Brien reveal that the recognition or lack thereof the biographical subject has received and remains both a problem and an opportunity for women writers and readers The essays by Valerie Ross Rob Wilson Steven Weiland and William Epstein pursue the question of difference and cultural reification in the theory and practice of a specifically American biography and biographical criticism

America, War and Power Lawrence Sondhaus, A. James Fuller, 2007-06-11 Written by leading historians and political scientists this collection of essays offers a broad and comprehensive coverage of the role of war in American history Addressing the role of the armed force and attitudes towards it in shaping and defining the United States the first four chapters reflect the perspectives of historians on this central question from the time of the American Revolution to the US wars in Vietnam and Iraq Chapters five and six offer the views of political scientists on the topic one in light of the global systems theory the other from the perspective of domestic opinion and governance The concluding essay is written by historians Fred Anderson and Andrew Cayton whose co-authored book *The Dominion of War Empire and Liberty in North America 1500-2000* provided the common reading for the symposium which produced these essays *America War and Power* will be of much interest to students and scholars of US military history US politics and military history and strategy in general

Contemporary Western White John White, 2019-05-03 The September 11th attacks in 2001 and the subsequent War on Terror have had a profound effect on American cinema and the contemporary Western is no exception In this book John White explores how films such as *Open Range* *True Grit* and *Jane Got a Gun* reinforce a conservative myth of America exceptionalism endorsing the use of extreme force in dealing with enemies and highlighting the importance of defending the homeland Placing their characters within a dark world of confusion and horror these films reflect the United States post 9/11 uncertainties and the conflict between civilised values and the brutality employed to defend them

Understanding African American Rhetoric Ronald L. Jackson II, Elaine B. Richardson, 2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture's values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric

as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics

Native American Rhetoric Lawrence W. Gross, 2021-12-15 Native American Rhetoric is the first book to explore rhetorical traditions from within individual Native communities and Native languages The essays set a new standard for how rhetoric is talked about written about and taught The contributors argue that Native rhetorical practices have their own interior logic which is grounded in the morality and religion of their given traditions Once we understand the ways in which Native rhetorical practices are rooted in culture and tradition the phenomenological expression of the speech patterns becomes clear The value of Native communities and their languages is underlined throughout the essays Lawrence W Gross and the contributors successfully represent several but not all Native communities across the United States and Mexico including the Haudenosaunee Anishinaabe Choctaw Nahua Chickasaw and Chicana Tohono O odham Navajo Apache Hupa Lower Coast Salish Koyukon Tlingit and Nez Perce Native American Rhetoric will be an essential resource for continued discussions of Native American rhetorical practices in and beyond the discipline of rhetoric

On African-American Rhetoric Keith Gilyard, Adam Banks, 2018-04-17 On African American Rhetoric traces the arc of strategic language use by African Americans from rhetorical forms such as slave narratives and the spirituals to Black digital expression and contemporary activism The governing idea is to illustrate the basic call response process of African American culture and to demonstrate how this dynamic has been and continues to be central to the language used by African Americans to make collective cultural and political statements Ranging across genres and disciplines including rhetorical theory poetry fiction folklore speeches music film pedagogy and memes Gilyard and Banks consider language developments that have occurred both inside and outside of organizations and institutions Along with paying attention to recent events this book incorporates discussion of important forerunners who have carried the rhetorical baton These include Frederick Douglass Harriet Jacobs Sojourner Truth Anna Julia Cooper W E B Du Bois Zora Neale Hurston Malcolm X Martin Luther King Jr Toni Cade Bambara Molefi Asante Alice Walker and Geneva Smitherman Written for students and professionals alike this book is powerful and instructive regarding the long African American quest for freedom and dignity

American Rhetoric in the New Deal Era, 1932-1945 Thomas W. Benson, 2006 The New Deal era is hard to define with precision in time or in ideology This book contains essays that focus on the prewar period with glimpses forward to the rhetoric of the approach to and engagement in World War II

Digital Griots Adam J. Banks, 2011-03-16 Scholar Adam J Banks offers a mixtape of African American digital rhetoric in his innovative study Digital Griots African American Rhetoric in a Multimedia Age Presenting the DJ as a quintessential example of the digital griot high tech storyteller this book shows how African American storytelling traditions and their digital manifestations can help scholars and teachers shape composition studies thoroughly linking oral print and digital production in ways that centralize African American discursive practices as part of a multicultural set of ideas and pedagogical

commitments DJs are models of rhetorical excellence canon makers time binders who link past present and future in the groove and mix and intellectuals continuously interpreting the history and current realities of their communities in real time Banks uses the DJ s practices of the mix remix and mixtape as tropes for reimagining writing instruction and the study of rhetoric He combines many of the debates and tensions that mark black rhetorical traditions and points to ways for scholars and students to embrace those tensions rather than minimize them This commitment to both honoring traditions and embracing futuristic visions makes this text unique as do the sites of study included in the examination mixtape culture black theology as an activist movement everyday narratives and discussions of community engagement Banks makes explicit these connections rarely found in African American rhetoric scholarship to illustrate how competing ideologies vernacular and academic writing sacred and secular texts and oral print and digital literacies all must be brought together in the study of African American rhetoric and in the teaching of culturally relevant writing A remarkable addition to the study of African American rhetorical theory and composition studies *Digital Griots African American Rhetoric in a Multimedia Age* will compel scholars and students alike to think about what they know of African American rhetoric in fresh and useful ways *African American Rhetoric(s)* Elaine B Richardson, Ronald L Jackson, 2007-02-12 *African American Rhetoric s Interdisciplinary Perspectives* is an introduction to fundamental concepts and a systematic integration of historical and contemporary lines of inquiry in the study of African American rhetorics Edited by Elaine B Richardson and Ronald L Jackson II the volume explores culturally and discursively developed forms of knowledge communicative practices and persuasive strategies rooted in freedom struggles by people of African ancestry in America *Outlining African American rhetorics found in literature historical documents and popular culture* the collection provides scholars students and teachers with innovative approaches for discussing the epistemologies and realities that foster the inclusion of rhetorical discourse in African American studies In addition to analyzing African American rhetoric the fourteen contributors project visions for pedagogy in the field and address new areas and renewed avenues of research The result is an exploration of what parameters can be used to begin a more thorough and useful consideration of African Americans in rhetorical space

As recognized, adventure as skillfully as experience more or less lesson, amusement, as capably as concurrence can be gotten by just checking out a ebook **An American Rhetoric** next it is not directly done, you could admit even more almost this life, approximately the world.

We offer you this proper as competently as simple way to get those all. We give An American Rhetoric and numerous ebook collections from fictions to scientific research in any way. among them is this An American Rhetoric that can be your partner.

An American Rhetoric Introduction

In the digital age, access to information has become easier than ever before. The ability to download An American Rhetoric has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download An American Rhetoric has opened up a world of possibilities. Downloading An American Rhetoric provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading An American Rhetoric has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download An American Rhetoric. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading An American Rhetoric. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading An American Rhetoric, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download An American Rhetoric has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize

personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About An American Rhetoric Books

1. Where can I buy An American Rhetoric books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
