In the Shadows of the Gods John F. Raines,2010-11 It is a troubling time in the Kingdom of Shale As a marauding group calling themselves the Rogues begins launching raids across the kingdom a small group of hybrid warriors intertwined magically with mythical beasts swears to defend the kingdom When a hooded prowler breaches castle security and escapes into the night the Royal Guard splits in two one group pursues the oddly powerful intruder while the other chafes at being left behind The powerful stranger is on a ruthless search for just one thing the Relic Sword and he ll stop at nothing to get it After he leaves the Royal Guard with nothing but destruction unanswered questions and a taste for revenge the King s soldiers begin a dangerous journey to find the supposed assassin before he unleashes a legendary power on the world But as they search the lines between friend and foe begin to blur and the allegiance of some becomes questionable As swords clash and arrows soar through the air no one knows who to trust but everyone is about to learn that the Relic Sword has the capability to change the future of the Kingdom of Shale forever
