An Idler On The Shropshire Borders:

An Idler on the Shropshire Borders Ida Gandy,1970 English Farmworkers and Local Patriotism, 1900-1930 Nicholas Mansfield,2017-03-02 This new study looks at the ways in which the years surrounding the First World War shaped the lives of the rural workforce in Britain and how the patriotism unleashed by the war was used by those in power to blur class divisions and build conservative attitudes in rural communities Using the area of Shropshire and the Marches as a focus the book looks at farmworkers and their trade unions the structures of agrarian economy class divisions local loyalties cultural institutions and political organisations From 1917 the growing power of the farmworkers unions and the rural labour movement mounted a challenge to the landed elites and sought a radical change from rural poverty The author shows how the elites met this threat dynamically by creating a range of new village institutions such as ploughing matches Women s Institutes village halls war memorials and the British Legion The extraordinary growth of rural radicalism at the end of the war was diffused by popular conservatism and local patriotism Influenced by wartime experiences the period 1900 1930 saw a change in rural society from parochial concerns to a new sense of loyalty to county and to the English nation **An Illustrated Literary Guide to Shropshire** Gordon Dickins,1987 **Cloven Country** Jeremy Harte,2023-08-25 Now in paperback an exploration of the myths of England s deceptively bucolic rolling hills and country lanes believed to be created and shaped by the Dark Lord himself According to legend the English landscape so calm on the surface is really the Devil s work Cloven Country tells of rocks hurled into place and valleys carved out by infernal labor The Devil s hideous strength laid down great roads in one night and left scars everywhere as the hard stone melted like wax under those burning feet With roots in medieval folklore of giants and spirits this is not the Satan of prayer but a clumsy ogre easily fooled by humankind When a smart cobbler or cunning young wife outwitted him they struck a blow for the underdog Only the wicked squire and grasping merchant were beyond redemption carried off by a black huntsman in the storm Cloven Country offers a fascinating panorama of these decidedly sinister English tales **One Dog and His Man** Gary Twynam,2014-06-05 Aged 45 we moved from Tooting South London to Shifnal Shropshire so that my wife could be closer to her parents This book covers the five years that followed It s a collage of silly stories musings observations and general nonsense as I try to adjust to small town life At its heart is a rescue dog called Bobby and his attempts to make a Londoner love his world Any readers who enjoyed my previous novel Farewell Trip will find stories in this book that lead directly to scenes in that novel *The Folklore of Shropshire* Roy Palmer,2004 **Round about the Little Steeple** Ida Gandy,1989 Library of Congress Catalog Library of Congress,1970 Library of Congress Catalogs Library of Congress,1976 *The Wiltshire Archaeological and Natural History Magazine* ,1972 Includes proceedings of the annual general meetings of the Wiltshire Archaeological and Natural History Society **Widener Library Shelflist: British history** Harvard University.
