An Illustrated History Of Ireland:

An Illustrated History of Ireland Mary Francis Cusack, 2008-08 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

An Illustrated History of Ireland from AD 400 to 1800 Mary Frances Cusack, 2005

The Oxford History of Ireland Robert Fitzroy Foster, 2001 Under the editorship of R. F. Foster, a team of distinguished Irish historians has produced a challenging assessment of Ireland's history, invaluable for the student and general reader alike. Their approach stresses the ancient, rooted nature of Irish culture but also looks beyond received ideas of Irish history to explore the patterns of fragmentation and change which have been characteristic of Ireland's past. The long-contested question of Irish identity and its relation to language is also fruitfully examined. The text of this book, originally published in *The Oxford Illustrated History of Ireland*, is usefully supplemented with a chronology of Irish history, maps, and suggestions for further reading.

An Illustrated History of Ireland from the Earliest Period Mary Francis Cusack, 2012-08 Unlike some other reproductions of classic texts, 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavored to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
