current age of human rights and working backward through the great role model civilizations of history Its conclusion is that a forward retelling of the story of freedom as the story of human rights can be justified by dewesternizing the story The book contains critical responses from specialized scholars and representative of selected world cultures The volume includes illustrations and a guest Afterword by Donald Phillip Verene It is a companion volume to the author s Hegel s Logic Between History and Dialectic North western University Press 1996
