Fuller, with Some Revision by Irmgard Booth. Sixth Edition.)**. Dietrich Bonhoeffer, Irmgard BOOTH, Reginald Horace Fuller, 1959 **The Trinity Guide to the Christian Church** William J. La Due, 2006-09-19 La Due applies the scheme he applied to Jesus the Trinity and eschatology to the Church in this new historical overview of ecclesiology **The Cost of Discipleship** Dietrich Bonhoeffer, 1959 Examines the serious implications of believing in Christ the intensity of the struggle between the world and God in man's deepest self whenever he takes upon himself true discipleship **A Theology of Cross and Kingdom** D. K. Matthews, 2019-11-19 Luther's theology of the cross has impacted major theologians and centuries of theology including the present and yet it is weakened by its reactionary theological determinism reductionism and understandable failure to properly integrate fluid melioristic and pro creation kingdom eschatology N T Wright's revolutionary cross articulated in *The Day the Revolution Began* Reconsidering the Meaning of Jesus's Crucifixion is a brilliant and clarion new creation eschatological call to action that suffers from a somewhat cryptic imprecise and unrefined eschatology Heino O Kadai has presented an authoritative and concise rendering of Luther's key insights Rustin Brian has carefully assessed whether Luther's theology of the cross deserves blame for the Deus absconditus of modernity in his Barthian influenced *Covering Up Luther* Robert Cady Saler has masterfully articulated a relevant and pastoral *Theologia Crucis* framed by Moltmann's *Theology of Hope* that is most applicable to the contemporary church and sociopolitical engagement *A Theology of Cross and Kingdom* sympathetically and creatively critiques and synthesizes dominant themes in such classical and contemporary theologies of the cross within a unified cross and kingdom eschatology Matthews deftly overcomes many of the less than helpful disjunctive approaches to the theology of the cross while proffering a way forward for this most influential and core theological treasure of the church

The Cross and the Lynching Tree James H. Cone, 2011 A landmark in the conversation about race and religion in America They put him to death by hanging him on a tree Acts 10:39 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community In this powerful new work theologian James H Cone explores these symbols and their interconnection in the history and souls of black folk Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning While the lynching tree symbolized white power and black death the cross symbolizes divine power and black life God overcoming the power of sin and death For African Americans the image of Jesus hung on a tree to die powerfully grounded their faith that God was with them even in the suffering of the lynching era In a work that spans social history theology and cultural studies Cone explores the message of the spirituals and the power of the blues the passion and of Emmet Till and the engaged vision of Martin Luther King Jr he invokes the spirits of Billie Holiday and Langston Hughes

Fannie Lou Hamer and Ida B Well and the witness of black artists writers preachers and fighters for justice And he remembers the victims especially the 5 000 who perished during the lynching period Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice

The Other Side of Joy Julius H. Rubin,2000 Rubin focuses on the incidence of religious melancholy among the Bruderhof This is an affective disorder that has long been associated with pietistic conversion and is characterized by a sense of abandonment by God
