## Countdown To China:

*Countdown to China* Steven L. Thompson, 1982      **Handbook of Protest and Resistance in China** Teresa Wright, 2019 Featuring contributions from top scholars and emerging stars in the field the Handbook of Protest and Resistance in China captures the complexity of protest and dissent in contemporary China while simultaneously exploring a number of unifying themes Examining how when and why individuals and groups have engaged in contentious acts and how the targets of their complaints have responded the volume sheds light on the stability of China's existing political system and its likely future trajectory      *Countdown to China* S.L. Thompson,      **China Today**, 2007      [China's Human Rights Lawyers](#) Eva Pils, 2014-11-20 This book offers a unique insight into the role of human rights lawyers in Chinese law and politics In her extensive account Eva Pils shows how these practitioners are important as legal advocates for victims of injustice and how bureaucratic systems of control operate to subdue and marginalise them The book also discusses how human rights lawyers and the social forces they work for and with challenge the system In conditions where organised political opposition is prohibited rights lawyers have begun to articulate and coordinate demands for legal and political change Drawing on hundreds of anonymised conversations the book analyses in detail human rights lawyers legal advocacy in the face of severe institutional limitations and their experiences of repression at the hands of the police and state security apparatus along with the intellectual political and moral resources lawyers draw upon to survive and resist Key concerns include the interaction between the lawyers and their bureaucratic professional and social environments and the forms and long term political impact of resistance In addressing these issues Pils offers a rare evaluative perspective on China's legal and political system and proposes new ways to assess domestic advocacy's relationship with international human rights and rule of law promotion This book will be of great interest and use to students and scholars of law Chinese studies socio legal studies political studies international relations and sociology It is also of direct value to people working in the fields of human rights advocacy law politics international relations and journalism      **Routledge Handbook of Chinese Media** Ming-Yeh T. Rawnsley, Yiben Ma, Gary D. Rawnsley, 2015-04-24 The study of Chinese media is a field that is growing and evolving at an exponential rate Not only are the Chinese media a fascinating subject for analysis in their own right but they also offer scholars and students a window to observe multi directional flows of information culture and communications within the contexts of globalization and regionalization Moreover the study of Chinese media provides an invaluable opportunity to test and refine the variety of communications theories that researchers have used to describe analyse compare and contrast systems of communications The Routledge Handbook of Chinese Media is a prestigious reference work providing an overview of the study of Chinese media Gary and Ming Yeh Rawnsley bring together an interdisciplinary perspective with contributions by an international team of renowned scholars on subjects such as television journalism and the internet and social media Locating Chinese media within a regional setting by focusing on Greater China the People's Republic of China Taiwan Hong

Kong Macau and overseas Chinese communities the chapters highlight the convergence of media and platforms in the region and emphasise the multi directional and trans national character of media information flows in East Asia Contributing to the growing de westernization of media and communications studies this handbook is an essential and comprehensive reference work for students of all levels and scholars in the fields of Chinese Studies and Media Studies

**The Routledge History of Human Rights** Jean Quataert, Lora Wildenthal, 2019-09-05 The Routledge History of Human Rights is an interdisciplinary collection that provides historical and global perspectives on a range of human rights themes of the past 150 years The volume is made up of 34 original contributions It opens with the emergence of a new internationalism in the mid nineteenth century examines the interwar League of Nations and the United Nations eras of human rights and decolonization and ends with the serious challenges for rights norms laws institutions and multilateral cooperation in the national security world after 9 11 These essays provide a big picture of the strategic political and changing nature of human rights work in the past and into the present day and reveal the contingent nature of historical developments Highlighting local national and non Western voices and struggles the volume contributes to overcoming Eurocentric biases that burden human rights histories and studies of international law It analyzes regions and organizations that are often overlooked The volume thus offers readers a new and broader perspective on the subject International in coverage and containing cutting edge interpretations the volume provides an overview of major themes and suggestions for future research This is the perfect book for those interested in social justice grass roots activism and international politics and society
