believers including Jack Fleming's anger over his wife's untimely death the stalking of Angela Sims by her former husband Clyde and the increasing citywide deaths caused by constant terrorist attacks Pastor Boyd's group sees the moral decline of society and nature coming to fruition just as Christ predicted two thousand years earlier Join this group of friends and foes as they wade through the tumultuous waters that dangerously flirt with the shore of the rapture Learn what this small group knows that the unbelieving world doesn't what they all are experiencing in the present is only the prelude of what awaits the unbelievers in the future
