Country Commune Cooking:

Country Commune Cooking Lucy Horton, 1972 *Country Commune Cooking* Lucy Horton, 2019-11-22 A fascinating culinary odyssey through the kitchens of America's flourishing country communes here is an original and vastly entertaining cookbook plus an organic cookbook with lapses that combines more than 150 superb and distinctly different recipes with a wealth of communal lore encompassing cameo sketches of hip cooks from Vermont to California and informal informative raps on everything from growing and preserving your own vegetables to hosting a communal feast Gathered from forty three communes in twelve states and Canada and exotically named for their exuberant young inventors or the spirit in which they were created Total Loss Spinach Blintzes T A s Potato Volcano Omelet Outrageous the recipes range from variations on familiar American staples like pizza and cheeseburgers and traditional ethnic concoctions to wholly unique creations that reflect the astonishing variety of tastes and dietary theories that Lucy Horton discovered on her year long quest through the often primitive but always prodigiously productive kitchens of country communes She discovered too that group cooking not group sex is the central fact and preoccupation of communal life A vital and formative part of Consciousness III is Food Consciousness and it is from the awakening palates and enthusiastic experiments with organic foods wholesome natural grains a cornucopia of lovingly tended fruits and vegetables exotic herbs and aromatic spices of young people cooking on wood burning stoves that Lucy has gleaned a treasury of recipes as innovative as they are delicious Note This is a 2019 reprint of the original 1972 edition with an updated Afterword by both the author and illustrator

Food on the Page Megan J. Elias, 2017-04-20 What is American food From barbecue to Jell O molds to burrito bowls its history spans a vast patchwork of traditions crazes and quirks A close look at these foods and the recipes behind them unearths a vivid map of American foodways how Americans thought about food how they described it and what foods were in and out of style at different times In *Food on the Page* the first comprehensive history of American cookbooks Megan J Elias chronicles cookbook publishing from the early 1800s to the present day Following food writing through trends such as the Southern nostalgia that emerged in the late nineteenth century the Francophilia of the 1940s countercultural cooking in the 1970s and today's cult of locally sourced ingredients she reveals that what we read about food influences us just as much as what we taste Examining a wealth of fascinating archival material and rediscovering several all American culinary delicacies and oddities in the process Elias explores the role words play in the creation of taste on both a personal and a national level From Fannie Farmer to *The Joy of Cooking* to food blogs she argues American cookbook writers have commented on national cuisine while tempting their readers to the table By taking cookbooks seriously as a genre and by tracing their genealogy *Food on the Page* explains where contemporary assumptions about American food came from and where they might lead

The 60s Communes Timothy Miller, 1999-12-01 The greatest wave of communal living in American history crested in the tumultuous 1960s era including the early 1970s To the fascination and amusement of more decorous citizens hundreds of

thousands of mostly young dreamers set out to build a new culture apart from the established society Widely believed by the larger public to be sinks of drug ridden sexual immorality the communes both intrigued and repelled the American people The intentional communities of the 1960s era were far more diverse than the stereotype of the hippie commune would suggest A great many of them were religious in basis stressing spiritual seeking and disciplined lifestyles Others were founded on secular visions of a better society Hundreds of them became so stable that they survive today This book surveys the broad sweep of this great social yearning from the first portents of a new type of communitarianism in the early 1960s through the waning of the movement in the mid 1970s Based on more than five hundred interviews conducted for the 60s Communes Project among other sources it preserves a colorful and vigorous episode in American history The book includes an extensive directory of active and non active communes complete with dates of origin and dissolution *Going Up the Country* Yvonne Daley,2018-06-05 *Going Up the Country* is part oral history part nostalgia tinged narrative and part clear eyed analysis of the multifaceted phenomena collectively referred to as the counterculture movement in Vermont This is the story of how young migrants largely from the cities and suburbs of New York and Massachusetts turned their backs on the establishment of the 1950s and moved to the backwoods of rural Vermont spawning a revolution in lifestyle politics sexuality and business practices that would have a profound impact on both the state and the nation The movement brought hippies back to the landers political radicals sexual libertines and utopians to a previously conservative state and led us to today s farm to table way of life environmental consciousness and progressive politics as championed by Bernie Sanders **History of Soyfoods and Soybeans in California (1851-1982):** William Shurtleff; Akiko Aoyagi,2021-06-24 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographical index 526 photographs and illustrations mostly color Free of charge in digital PDF format **History of the Health Foods Movement Worldwide (1875-2021)** William Shurtleff; Akiko Aoyagi,2021-07-31 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 205 photographs and illustrations many color Free of charge in digital PDF format **History of Tofu and Tofu Products (965 CE to 1984)** William Shurtleff; Akiko Aoyagi,2022-06-03 The world s most comprehensive well documented and well illustrated book on this subject With extensive subject and geographic index 640 photographs and illustrations many color Free of charge in digital PDF format *Daughters of Aquarius* Gretchen Lemke-Santangelo,2009 The first book to focus specifically on the women of the counterculture movement reveals how hippie women launched a subtle rebellion by by rejecting their mothers suburban domesticity in favor of their grandmothers agrarian ideals which assigned greater value to women s contributions *Consuming Class, Buying Identity* Mary Rizzo,2005 *English Language Cookbooks, 1600-1973* Lavonne B. Axford,1976 **The New Earth Catalog: Living Here and Now** Gnu Publishing,1973 *Book Review Digest* ,1973 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest

provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language
Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences
and law Reviews of books on science for the general reader however are included The reviews originate in a group of
selected periodicals in the humanities social sciences and general science published in the United States Canada and Great
Britain Publisher *Foodways and Folklore* Jacqueline S. Thursby,2008-03-30 A comprehensive introduction to the folklore
of food from the early Native American cultures to the multicultural cuisine of the present day **The New York Times**
Book Review ,1972-10 **Appetite for Change** Warren James Belasco,1989 An update of the Pantheon Books edition of
1989 Annotation copyright by Book News Inc Portland OR *Library Journal* ,1973 **Cumulated Index to the Books**
,1972 Library Journal Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl
Brown,Helen E. Wessells,1973 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section
