The Heritage Industry Robert Hewison,2023-02-03 First published in 1987 The Heritage Industry sets out to protect the present and the future of life in Britain from their most dangerous enemy a creeping takeover by the past The author sets today s obsession with yesterday in the context of a climate of social and political decline The economic uncertainties and cultural convulsions of post war life have made the past seem a pleasanter and safer place But how true is that image of the past and whose past is it anyway Hewison questions the way institutions like the National Trust are helping to create a past that never was While the real economy crumbles a new force is taking over the Heritage Industry a movement dedicated to turning the British Isles into one vast open air museum This book will be of interest to students of history art and cultural studies

What's Around Design? Américo Mateus,Gabriel Patrocinio,Susana Leonor,2026-02-14 This book presents volume one of the proceedings of the What s Around Design meeting held October 2024 in Algarve Portugal The chapters here cover a wide variety of topics related to design futures and how design and specifically biodesign can contribute to sustainability The book s coverage includes but is not limited to biodesign speculative biofutures nature based solutions and strategic design for green transitions All chapters in this book were subject to double blind peer review
