**Discipleship** G. Campbell Morgan, 1991-06-01 [Disciple Making in a Culture of Power, Comfort, and Fear](#) Matthew T. Dickerson, 2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ's command to make disciples In the tradition of spiritual theology and formation *Disciple Making in a Culture of Power Comfort and Fear* draws deeply from Paul's Second Epistle to Timothy viewed as a reflection on Jesus' great disciple making commission as well as on Dickerson's own experiences in disciple making ministry on college campuses and his local church Dickerson's writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years

**The Grown Up Church** Earl Lambdin, 2014 This book is dedicated to the unrelenting pursuit of Biblical truth concerning our apostolic founders vision of Christ's interactive maturing church As the

early apostles were committed to the growing up of each individual disciple of the Body of Christ so this book is written to challenge and exhort all believers and followers of Christ to not settle for the same old predictable church style of stale hierarchal leadership with mediocre followers and results If the reader would be willing to humble oneself and dare to become boldly unchained and unafraid of embracing what is presented in this book through scriptural truth then a much greater understanding of the goals of early Christian discipleship could be greatly realized for the full stature and steely strength of united saints in these most desperate of latter times

**Caring for Souls Growing Disciples** Dan

Hetherington,2020-09-27 It is impossible for the pastor of a church to do all that is needed Even if they were to try to accomplish this without giving up their primary calling as disciples of Christ it would be a futile effort The ministry of the Church therefore is not only the responsibility of the pastor but the whole company of believers Elders are ordained to serve with the pastor as shepherds of the congregation leading and equipping others to serve God the church and the community according to their gifts This book looks to provide a resource for all elders by looking to scripture for an understanding of eldership defining this ministry for today and outlining some of the duties that may be asked of them as they serve their local church

*Growing Faith* Bruce P. Powers,2003-12-12

Faith development cannot be divided into components Rather it can be likened to the growth of a plant seed root stem leaf bud bloom Each step happens in sequence

yet all are dependent on the earlier and continuing phases All phases are the plant the bloom is no more the plant than are the leaves or roots So it is with faith all phases are faith Yet there is a distinct pattern of development from Chapter 1
