Discipleship Towards An Understanding Of Religious Life:

Discipleship John M. Lozano, 1980-01-01 **Discipleship** Juan María Lozano (C.M.F.), 1983 *Discipleship* John M. Lozano, 1980 **Religious Life as Imitation of Christ** Serena Charivupurayidathil, 1991 **Theological Studies** William James McGarry, John Courtney Murray, 1981 *The Disciples' Call* Christopher Jamison, OSB, 2013-12-05 This book traces the development of vocation from scriptural patristic roots through Thomism and the Reformation to engage with the modern vocational crisis How are these approaches compatible Is some sense of a higher calling part of the Catholic theology of vocation or not Jamison explores this neglected yet vital aspect of Church life **Ashram Spirituality** Paul Pattathu, 1997

Monographic Series Library of Congress, **Religious Culture in the Sixteenth Century** John W. O'Malley, 1993 The relationship between religion and culture is the key concern of this selection of John O Malley s articles as it was in his earlier one Rome and the Renaissance Studies in Culture and Religion The present articles address the questions of religious controversy Church reform and the character of Renaissance humanism continuing the research published previously but developing it in two specific directions The first is that of Renaissance preaching and rhetoric in terms both of their evolution over the period and of the particular contributions made by such figures as Luther or Erasmus The second topic is the early history of the Jesuits with studies on their attitudes towards humanist culture as well as on the ideas of Ignatius Loyola himself **Radical Discipleship** Robert P. Vande Kappelle, 2022-08-11 Discipleship is a universal experience all human beings share In our lifetime each of us has had a mentor tutor teacher or role model someone we admired respected and followed As the central character in the Bible the world s best selling book Jesus is known and revered the world over What would it be like to be mentored by such an individual Of course we can follow the accounts of the historical Jesus and his disciples in the gospels but what would it mean to be discipled by a contemporary twenty first century Jesus While people across the world claim to follow Jesus what would it mean to live in the modern world guided by a modern Jesus on religious issues such as faith God and scripture and on social issues such as poverty healthcare social justice political reform and caring for the environment A good place to begin is with compassion for Christianity and compassion are largely linked To be apprenticed to Jesus is to follow one whose profound love for the hungry sick and dying inspired more compassion than any single person movement or force in history Addressing discipleship as a priority in our lives Radical Discipleship illustrates its subject with stories and accounts of ordinary Christians living out their discipleship in authentic and inspiring ways Useful for individual or group study this volume serves as a resource for people seeking tools necessary to fulfill Jesus vision for a more vibrant and equitable world one in which every human being can thrive **Modern Catholicism** Adrian Hastings, 1991 When Pope John XXIII convened the Second Vatican Council in 1963 he could not have predicted the dramatic transformation of modern Roman Catholicism that would result from its deliberations Its influence has reached into every aspect of Catholic life and continues to be felt and hotly debated to the present day In this sweeping new study edited by the

eminent British Catholic theologian Adrian Hastings a distinguished team of international scholars provides a complete history of the Council and assesses its impact on the last quarter century of Catholic thought and practice The contributors consider the reign of John XXIII and his immediate predecessors and successors the history of the Council and each of the sixteen documents it issued which together represent perhaps the most authoritative church teaching of this century embodying radical changes in the liturgy and greater participation in services by lay members But Vatican II also left behind many unresolved controversies such as celibacy of priests and birth control and the contributors also examine these and other issues including the role of women in the Church homosexuality divorce and war and the nuclear predicament In addition the impact of the Council on different parts of the world is discussed giving full weight to the emergence of liberation theology in Latin America and the Philippines and the desire of African and Asian Catholics to assimilate aspects of their traditional culture into Church life Modern Catholicism offers us a new map for understanding the challenges faced by the Church as we approach the end of the second millennium of Christianity Commemorating the twenty fifth anniversary of Vatican II this book is destined to become the standard resource on the Council and its influence Women and Theology Mary Ann Hinsdale, Phyllis H. Kaminski, 1995 **The Meanings of Discipleship** Andrew Hayes, Stephen Cherry, 2021-10-29 Discipleship is a foundational concept of Christian life which has become a popular and ubiquitous description of belonging and growth in early 21st ecclesiastical language Discipleship courses and popular writings abound and the term is used liberally in official church documents and strategies for growth and development particular in a western context But does recent use of the word risk reducing the wide range of meanings of discipleship to something less rich and inclusive than is warranted With contributions from an array of leading thinkers scholars and theologians including Rachel Mann Kirsteen Kim and Anthony Reddie this book argues that there is need for more clarity precision and depth in defining what meaningfully and constructively is construed as discipleship Beginning with an overview of how the concept of discipleship has been understood in history the volume goes on to consider some of the key figures who have shaped our understanding of the concept and finally to reflect on what discipleship might look like in contemporary society Horizons, 1982 The Christian Leader, 1924 In the Image of Christ Crucified and Risen, in the Service of the Community Josef Meili, 1986
