Discipling The Nations:

Turn the World Upside Down Michael Maiden, 2011-08-16 Many Christians have been preaching the gospel of salvation and attempting to disciple the nations by bringing people into their church congregations but they have not seen their cities and countries transformed Jesus however preached the Gospel of the Kingdom and He equipped and empowered His disciples to turn the world upside down in a drastic cultural transformation In the Bible mountains usually represent the authority of kingdoms Learn how you can occupy the seven mountains of authority family church business government education arts entertainment and media and bring Heaven s influence to earth transforming your culture and discipling the nations You will learn How the Gospel of the Kingdom turns the world upside down What the seven mountains of authority are How to take your mountains with the Gospel To step into your destiny as a world changer Maiden writes You were predestined for a reason and purpose by God Your gifts anointing personality and history will all synergize into a dynamic purpose when you find your mountain Tackle your mountain today **Discipling Nations** Darrow L. Miller, Stan Guthrie, 2001-08 The power of the gospel to transform individual lives has been evident throughout New Testament history But what of the darkness and poverty that enslave entire nations Miller builds a powerful convincing thesis that God s truth can free whole societies from deception and poverty Excellent study of worldviews **Discipling Nations** Amos Dele Dada, 2020-11-26 Discipling Nations A Workbook on Principles of Discipleship is written to create an awareness of the necessity for discipleship in the body of Christ Jesus Christ spent three years to disciple twelve people that changed the world It is therefore essential that we embark on aggressive discipleship if we genuinely want to see Christ like Christians in our generation and witness an uncommon harvest of souls to the kingdom of God as well as unimaginable church growth Amongst other things you will learn in this book are Who is a disciple Why is discipleship crucial What is discipleship How do you disciple a new convert How does discipleship lead to church growth What is the cost of discipleship This well written expose easy to read epistle on Discipling Nations from Pastor Dada gives us the needed guidance to doing just that It is indispensable to any Christian who wants to fulfil the mandate of Jesus Christ Pastor Abraham Olukunle Akinosun President Christ Apostolic Church worldwide His Kingdom Come Jim Stier, Richlyn Poor, Lisa Orvis, 2008 Jesus final words to his disciples ring down through the ages preach the gospel to every individual and disciple every nation Preach the gospel Got it But what does it mean to disciple the nations Do I preach or teach To individuals or groups of people What exactly did Jesus want me to do Come explore these questions through Scripture history and the ideas and experiences of those who are actively engaged in discipling nations You ll discover that God s kingdom comes in and through many ministries vocations and locations from university campuses to developing regions in kitchens and boardrooms through government journalism and the arts All followers of Christ not a select group are needed to bring God s grace and truth to individuals cultures and nations to do the works God prepared in advance for us to do Jesus words are for each of us wherever we are and whatever

God has gifted us to do What does it look like for you for the body of Christ worldwide to respond passionately and creatively to the call of God in our day to see every person and every nation transformed *Mobilizing Movements* Murray Moerman,2021-02-26 Accelerating Movements As record numbers of people around the world respond to Christ a need for community structure and leadership is emerging Disciple making and church planting must extend to the most remote areas of every people group and nation to assist individuals as they come to Christ Lasting movements build on specific traits and strategies in both teams and leadership including divine passion that lasts beyond whims and hardships Murray Moerman provides realistic expectations of what it takes to facilitate a movement and how to gain the support of various partners needed for long term success resulting in whole nation church planting saturation Based on years of research *Mobilizing Movements* contains both practical and spiritual elements You will find insights and models from several continents for macro whole nation strategies and micro personal disciple making Features include Key components of healthy movements Nine accelerants for movements Analysis of seven challenging contexts in which movements can still flourish Practical strategies scalable to your capacity and context Writing for novices as well as practitioners Moerman casts a vision for completing the Great Commission and invites us to mobilize movements *Discipling the Nations* Peter Ozodo,1997
