Disco Designs In Italy:

New Bar and Club Design Bethan Ryder, 2005 Following the highly successful Bar and Club Design 2002 New Bar and Club Design examines current international trends showcasing 47 bars and clubs completed since 2001 The 1990s restaurant boom led to an increase in both the volume and diversity of restaurants and this in turn heralded an increasingly sophisticated bar market There has been a resurgence of cocktail culture and an explosion of the style bar professionally designed venues that serve high quality drinks As this book demonstrates such bars continue to open in cities from New York to Moscow Beirut to Kuala Lumpur There is also a trend in lower budget designer bars that are as visually interesting as the big budget productions such as Andy Wahloo in Paris and Opal in London Likewise club culture continues to thrive Many nightclubs are cosier than the superclubs so popular during the late 1980s and 90s and recent years have seen the emergence of the boutique club small exclusive nightclubs where the focus has returned to the music the sound system and the dancing Other alternatives include late night lounge bars with DJs that cater to the grown up clubber offering comfort and luxury rather than an empty shell in which to dance Some superclubs are still being built and these offer the very best in technology and audiovisual entertainment usually laid out over several different areas This book explores the design Zeitgeist of bar and club culture worldwide Following a brief introduction tracing the latest international trends four themed chapters on bars restaurant bars hotel bars and clubs showcase the most interesting and unusual venues from around the world New Bar and Club Design is a must for anyone with an interest in interior design bar or club culture **BOOK JACKET**

Billboard, 1985-04-27 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *European Masters: Industrial design*, 1991 Knowledge Management in Action Mark S. Ackerman, Rose Dieng, Carla Simone, Volker Wulf, 2008-07-09 International Federation for Information Processing The IFIP series publishes state of the art results in the sciences and technologies of information and communication The scope of the series includes foundations of computer science software theory and practice education computer applications in technology communication systems systems modeling and optimization information systems computers and society computer systems technology security and protection in information processing systems artificial intelligence and human computer interaction Proceedings and post proceedings of refereed international conferences in computer science and interdisciplinary fields are featured These results often precede journal publication and represent the most current research The principal aim of the IFIP series is to encourage education and the dissemination and exchange of information about all aspects of computing For more information about the 300 other books in the IFIP series please visit www.springer.com For more information about IFIP please visit www.ifip.org The Renaissance in Italian Art Selwyn Brinton, 1909 *The Renaissance in Italian Art: The awakening of life. 3d ed. 1909* Selwyn
