Wordly

Wise Raffaele De Benedictis,2012 In Wordly Wise The Semiotics of Discourse in Dante s Commedia Raffaele De Benedictis proposes a new critical method in the study of the Divine Comedy and Dante s minor works It systematically and comprehensively addresses the discursive aspect of Dante s works and focuses mainly on the reader who along with the author and the text contributes to the making of discursive paths and discourse generating functions through the act of reading This work allows the reader to become acquainted with how meaning is generated and whether it is granted legitimacy in the text Also in a system of signification sign function and sign production are not limited to the properties of the mind but are the result of working interactively with the properties of discourse which provide directionality for the reader s enunciation s in action Dante Alighieri and his works, a discourse William Davies (of Warrington.),1888

Dante Alighieri and His Works, a Discourse William Davies (of Warrington),2016-04-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Discourses of Authority in Medieval and Renaissance Literature* Kevin Brownlee,Walter Stephens,1989 Twelve distinguished scholars examine the question of authority in literature from the 12th to the 16th century Specialists in Italian French Spanish offer close readings of literary philosophical texts provide a variety of critical theoretical approaches including authorial self canon formation counterfeit intertextuality historical context Bulletin of the American Association of Teachers of Italian ,1924 Bibliography of Italian studies in America in each number 1924 48 **Dante's Divina Commedia** Franz Hettinger,1887 **Catalogue of the Dante Collection** Willard Fiske,Theodore Wesley Koch,1898 **An English Commentary on Dante's Divina Commedia** REV.H.F.TOZER,1901 **Discourses of Mourning in Dante, Petrarch, and Proust** Jennifer Rushworth,2016-11-17 This book brings together in a novel and exciting combination three authors who have written movingly about mourning two medieval Italian poets Dante Alighieri and Francesco Petrarca and one early twentieth century French novelist Marcel Proust

Each of these authors through their respective narratives of bereavement grapples with the challenge of how to write adequately about the deeply personal and painful experience of grief In Jennifer Rushworth s analysis discourses of mourning emerge as caught between the twin conflicting demands of a comforting readable shared generality and a silent solitary respect for the uniqueness of any and every experience of loss Rushworth explores a variety of major questions in the book including what type of language is appropriate to mourning What effect does mourning have on language Why and how has the Orpheus myth been so influential on discourses of mourning across different time periods and languages Might the form of mourning described in a text and the form of closure achieved by that same text be mutually formative and sustaining In this way discussion of the literary representation of mourning extends to embrace topics such as the medieval sin of acedia the proper name memory literary epiphanies the image of the book and the concept of writing as promise In addition to the three primary authors Rushworth draws extensively on the writings of Sigmund Freud Julia Kristeva Jacques Derrida and Roland Barthes These rich and diverse psychoanalytical and French theoretical traditions provide terminological nuance and frameworks for comparison particularly in relation to the complex term melancholia

Catalogue of the Dante

Collection Presented by Willard Fiske Cornell University. Libraries,1900 **Catholic World** ,1878 Catalogue of the Dante Collection Presented by Willard Fiske: Works on Dante (H-Z). Supplement. Indexes. Appendix Willard Fiske,1898

The Westminster Review ,1907 The United States Catalog ,1924 *The Spiritual Sense of Dante's "Divina Commedia"* William Torrey Harris,1889 **Dante's Pluralism and the Islamic Philosophy of Religion** G.

Stone,2006-05-12 This book explores the Islamic roots of the Western values of tolerance and religious pluralism and considers Dante from the perspective of the Arab Islamic philosophical tradition It examines the relations between Islamic and Western thought the historical origins of Western values and the tradition of tolerance in classical Islamic thought
