Discovering The Body:

Discovering the Body Mary Howard,2000-09-19 Discovering the Body is a gripping novel filled with psychological suspense sensitivity and emotional complexity With this stunning debut Mary Howard has crafted an electrifying and hauntingly evocative novel of truth and perception of the ties we tell others and the lies we tell ourselves Two years ago Linda Garbo left her graphic design job in Minneapolis to open a printmaking studio in a small town in Iowa with the encouragement of Luci Cole a weaver and an old friend from art school Arriving in Linden Grove for good Linda agrees to stay with Luci and her boyfriend Charlie in their old farmhouse outside of town until the renovations to her new studio space are completed But the following afternoon as she is driving down the long winding road toward Luci s house Linda sees Luci s neighbor Peter Garvey walking out the front door and when Linda enters the house a few minutes later she discovers her friend s lifeless body on the kitchen floor Now two years later Peter Garvey has been convicted of Luci s murder Linda is married to Charlie and living in the very house where Luci died And she is convinced someone is following her As she begins to confront her fears approaching the man she believes is spying on her visiting Peter Garvey in prison she finally faces the cause for her frequent panic attacks she was too traumatized by her discovery of Luci s body to be a reliable witness And if she s identified the wrong man the killer may still be close by ready to react if she admits she might have made a mistake Compelled to unravel the mystery surrounding Luci s final days Linda finds that Luci was a master at weaving her true colors into a complex tapestry preferring involvements that required secrecy A beautifully crafted tour de force of significant depth passion and power Discovering the Body is a completely beguiling meditation on perception loss memory and redemption whose conclusion proves to be as significantly haunting as it is satisfying

Discovering Body Language Alan Elangovan,2024-05-01 Discovering Body Language DBL For Your EYES Only is a classic it gives a timeless message about the use of body language in different circumstances The book surmises both the positive and negative messages that people portray through the course of conversation The aim of this book is to sharpen your eyes to see the hidden A lot of people do not know the signs of deception even if they are glaring and that is why such individuals fall prey of unwanted circumstances If you make this book your companion then it becomes your inner sight to have a thorough understanding of people s thoughts and intents towards you This book only discusses an aspect of the areas covered in The Encyclopedia of Body Language a best seller by the author In the latter the author holistically x rayed all aspects of body language and readers can convert body language knowledge to profit It is a book that sets captives of communication free The greatest giveaway of this book is that you will know how to read body language effectively The author does not offer limited knowledge here Rather he gives every reader the master key to make informed decisions by listening to the body language of their co interlocutors
