Discovering Radical Contingency Building A Postmodern Agenda In Adult Education:

DISCOVERING RADICAL CONTINGENCY R. G. BAGNALL,1998 Discovering Radical Contingency Richard Gordon Bagnall,1999 Discovering Radical Contingency examines the implications of postmodern culture for education particularly those involving adult learners Against a critical review of modernist culture and education a comparative account of the postmodern is posited That account is reconfigured as a set of six tensions These tensions are then used in exploring the nature of educational practice and engagement in postmodernity from different perspectives through dialogues with students of that practice through case studies of practice as descriptive tendencies of engagement and as nodal forms of programmatic activity The book closes with chapters examining the nature of educational research and the professional development of adult educators in postmodernity

Adult Learning and Education Kjell Rubenson,2011-01-07 As individuals and societies try to respond to fundamental economic and social transformation the field of adult learning and education is rapidly getting increased attention and new topics for research on adult learning have

emerged This collection of articles from the International Encyclopedia of Education 3e offers practitioners and researchers in the area of adult learning and education a comprehensive summary of main developments in the field The 45 articles provide insight into the historical development of the field its conceptual controversies domains and provision perspectives on adult learning instruction and program planning outcomes relationship to economy and society and its status as a field of scholarly study and practice Saves researchers time in summarizing in one place what is otherwise an interdisciplinary field in cognitive psychology personality sociology and education Level of presentation focuses on critical research leaving out the extraneous and focusing on need to know information Contains contributions from top international researchers in the field Makes MRW content affordable to individual researchers *Resources in Education* ,2000 Promoting Critical Practice in Adult Education Jennifer A. Sandlin,2004-07 Offering theoretical and practical knowledge to help critical adult educators in their attempts to enact critical pedagogy in their own classroom this volume explores critical theory feminism critical postmodernism Africentrism queer theory and cultural studies Picking up on the themes first raised by Elizabeth Ellsworth critical theory and classic critical pedagogy do not get a particularly easy ride None of the authors claims that critical approaches are a simple solution to the tangles of late modernity In every case the authors see critical pedagogy as complex insightful challenging limited and difficult to put into practice But in every case they see critical perspectives as offering the hope and potential of a more just world The idea that critical perspectives on teaching are difficult to enact in the classroom is not new And what do we mean by critical perspectives anyway In this volume some of the most exciting scholars in adult education whether established or emerging provide insights into what it means to be critical and how it affects the concrete practices of teaching adults This is the 102nd issue of the quarterly higher education report New Directions for Adult and Continuing Education Adult Education Quarterly ,1999 Adult Learning and the Future of Work Madhu Singh,1999

The Power of Critical Theory for Adult Learning and Teaching Stephen Brookfield,2005 This contribution to the literature on adult education provides adult educators with an accessible overview of critical theory s central ideas Using many direct quotes from the theorists works Brookfield shows how critical theory illuminates the everyday practices of adult educators and helps them make sense of the dilemmas contradictions and frustrations they experience in their work Drawing widely on central texts in critical theory Brookfield argues that a critical theory of adult learning must focus on understanding how adults learn to challenge ideology contest hegemony unmask power overcome alienation learn liberation reclaim reason and practice democracy These tasks form the focus of successive chapters while later chapters review the central contentions of critical theory through the contemporary lenses of race and gender The final chapter reviews adult educational practices and looks at what it means to teach critically American Book Publishing Record ,1999 Boletin Internacional de Bibliografia Sobre Educacion ,2000 Nurturing Local VTE Research Efforts ,2011 **Subject Guide to Books in Print** ,2001 **Cumulated Index to the Books** ,1999 Deutsche Nationalbibliographie und Bibliographie der

Adult Education and the Postmodern

Challenge Ian Bryant,Rennie Johnston,Robin Usher,2004-08-02 This book offers some suggestions as to ways forward from this dilemma Drawing on the new intellectual frameworks of critical pedagogy feminism and postmodernism and their impact upon educational theory practice and research the book focuses on the changing contexts of adult education By building on the notion of going beyond the limits of certain current adult education orthodoxies the authors try to provide alternatives for practice The final three chapters deal with research focusing on a critical macro analysis of mainstream paradigms a review of alternative approaches and a more micro analysis centering on the role of the socially located self in the research process

Radicalizing Learning Stephen D. Brookfield,John D. Holst,2010-08-26 Radicalizing Learning calls for a total rethinking of what the field of adult education stands for and how adult educators should assess their effectiveness Arguing that major changes in society are needed to create a more just world the authors set out to show how educators can help learners envision and enact this radical transformation Specifically the book explores the areas of adult learning training teaching facilitation program development and research Each chapter provides a guide to the different paradigms and perspectives that prevail across the field of theory and practice The authors then tie all of the themes into how adult learning for

participatory democracy works in a diverse society The Modern Practice of Adult Education Derek Briton,1996 Critiques the modernist tenets and moral integrity of contemporary adult education practice Challenges educators to reconceptualize adult education as a postmodern pedagogy of engagement
