

A scenic landscape at sunset or sunrise. The sun is low on the horizon, casting a warm, golden glow over the scene. A dirt road curves through the landscape, bordered by a stream and a forested hillside. The sky is filled with soft, colorful clouds.

Civilization is a disease which  
is almost invariably fatal.

Civilization and Disease Henry Ernest Sigerist, 1962      *Civilization and Disease* Henry E. Sigerist, 2018-07-15 Originally published in 1943 *Civilization and Disease* was based on a series of lectures that the medical historian Henry E Sigerist delivered at Cornell University in 1940 Now back in print the book is a wide ranging account of the importance of social factors on health and illness and the impact that disease has had on societies throughout human history Despite considerable advances in both medicine and historiography *Civilization and Disease* remains a landmark work in the history of medicine and a fascinating look at first civilization as a factor in the genesis and spread of disease and second the effects of disease on such aspects of civilization as economics social life law philosophy religion science and the arts In a new foreword written for this edition Elizabeth Fee outlines Sigerist s life works and legacy as a historian a teacher and an advocate for universal health care hailing *Civilization and Disease* as an excellent introduction to Sigerist s work      **Disease and Civilization**

François Delaporte, 1986-01 *Disease and Civilization* explores the scientific and political ramifications of the great cholera epidemic of 1832 showing how its course and its conceptualization were affected by the social power relations of the time

Adrienne Rose Bitar, 2018-01-26 Diet books contribute to a 60 billion industry as they speak to the 45 million Americans who diet every year Yet these books don t just tell readers what to eat they offer complete philosophies about who Americans are and how we should live *Diet and the Disease of Civilization* interrupts the predictable debate about eating right to ask a hard question what if it s not calories but concepts that should be counted Cultural critic Adrienne Rose Bitar reveals how four popular diets retell the Fall of Man as the narrative backbone for our national consciousness Intensifying

the moral panic of the obesity epidemic they depict civilization itself as a disease and offer diet as the one true cure Bitar reads each diet the Paleo Diet the Garden of Eden Diet the Pacific Island Diet the detoxification or detox diet as both myth and manual a story with side effects shaping social movements driving industry and constructing fundamental ideas about sickness and health Diet and the Disease of Civilization unearths the ways in which diet books are actually utopian manifestos not just for better bodies but also for a healthier society and a more perfect world
