

# HOW TO DISINHERIT AN HEIR PROPERLY

- Disinheriting heirs means cutting them off from receiving a portion of your estate after you pass away.
- Never simply omit an heir's name from your estate plan. Always specifically disinherit them by name!
- Never try to amend your own estate plan when disinheriting an heir! This is very likely to lead to litigation after your death.
- Always seek the counsel of an experienced estate planning attorney to disinherit an heir properly.
