G. Campbell Morgan,2014-03-18 This edition of G Campbell Morgan s work has been compiled from the three volumes published in the early 1900s as *The Messages of the Books of the Bible* We at AMG Publishers have made several changes as we have combined these into one volume This volume contains Morgan s content for both the Old and New Testaments whereas in the previous publications the Old Testament was split into two volumes and the New Testament made the third volume We also have updated the spelling in accordance with how our language has changed over the years However we have not updated the points of current history mentioned by Morgan readers should note that they are from the turn of the century Morgan strives to lay out in simple form what he sees to be the message of each book of the Bible or in some cases the message of more than one book combined The one exception to this is the book of Lamentations for which Morgan did not include a chapter At the beginning of each chapter he outlines the primary message in the form of a chart which he follows as he writes the chapter expounding on his basic points For the Old Testament he breaks each book down into The Permanent Value s and The Living Message His layout for the books of the New Testament contains The Essential Message and The Application The charts are a kind of overview for what the reader shall explore in the chapters *The Amg Concise Survey of the Bible* Harry Adams,2003-02 The AMG Concise Survey of the Bible helps readers feel more comfortable with the Bible by providing a concise survey written on a high school level in a format that is easy to grasp The convenient introduction and survey of every book in the Bible can be quickly digested and used repeatedly as a quick reference guide *Concise Survey of the Bible* G. Campbell Morgan,2014-09-02 In *Concise Survey of the Bible* renowned Bible teacher G Campbell Morgan illuminates the enduring relevance and transformative power of the Old Testament Scriptures Morgan masterfully guides readers through the diverse writings of the Hebrew Bible revealing how these ancient

texts penned by various authors in different times and circumstances are woven together by a single divine Author He demonstrates how the narratives songs and histories of the Old Testament were not only written for their original audiences but also for the benefit of future generations offering timeless lessons and unwavering hope amidst life s challenges and uncertainties

The Substance, Sense, and Sequence of the Scriptures Keith Freedman,2019-10-25 If God were to write sixty six books of various lengths and styles and put them all together into one collection what would He say to us What information or content would He record What would be the substance of His writings Would He communicate an overall message through the multiple accounts Would He write a story with a plot and an engaging conflict Would the story have a heroic central character and a murderous lying evil counterpart Would there be a climactic scene a surprise twist in the plot a huge battle and a they all lived happily ever after resolution at the end Would we understand the big picture What would be the sense of the collection of writings Would the order of the books and letters give structure to the overall message and develop the composition Would the placement of the books provide the timeline and assist in the continuity of the account Would the order of the books indicate the progression of the events from beginning to end What would be the significance of the sequence of the record Within the pages of this book one will find that God has written and ordered the Scriptures as a complete composition a record from creation to eternal glory a composition having substance sense and sequence

The AMG Concise Bible Commentary Don Fleming, Senior Lecturer in Law Don Fleming, 2002-04 When People Read the Bible they are often frustrated by the wide gap in time and culture that separates them from the original readers The aim of the *The AMG Concise Bible Commentary* is to bridge the gap by providing the sort of information that ordinary readers are looking for in their search for a clearer understanding of the Bible With a clearer understanding the Bible becomes more relevant The *AMG Concise Bible Commentary* also bridges the gap between a technical Bible commentary and the person who has little technical knowledge when it comes to understanding the Bible The commentary is based on a firm Biblical scholarship but the reader does not have to be a Biblical scholar to understand it It retains its credibility as a reliable reference work yet presents the material in an easy to read and non technical style It is simple but not simplistic It seeks to be true to the Biblical material while at the same time being helpful to the reader

Book jacket Take a Closer Look for Women Jan Kern, 2007-07-31 Take a closer look at the Bible you thought you knew Have you noticed that the more you look at something the less you see it The same thing can happen with Scripture You've seen a story or a passage so many times that you overlook its significance Our Father who art in heaven The Lord is my shepherd For God so love the world You may know these passages you may love them but maybe you've stopped expecting much from them Take a Closer Look for Women leads you to pause along the familiar and less well known paths of the Bible and say I've never noticed this I've never thought of it this way before When you take a closer look at Scripture you see how rich and deep and multifaceted it is And you will be inspired mind heart and soul to apply the beauty of these truths to every area of your life
