Amnesias Diary:

Diary of an Amnesiac Stephanie Traylor, 2011-05-11 In the year 2035 a mysterious disease ravages the minds of innocents around the globe It is called Empty Mind Syndrome and those afflicted with it cannot retain memories for longer than a day Those with the most severe cases cannot retain memories for even a few hours Unable to understand the disease the world shuns its sufferers who have come to be called Amnesiacs and the Amnesiacs are forced to live in a world that does not know how to cope with their strange affliction Darya is a fifteen year old orphan surviving on the streets of London She is also one of the dreaded Amnesiacs Her life consists of writing everything she does and thinks every day in a journal so that she may later read it and remember even though she never fully remembers Her life is hardly remarkable but one day she meets another Amnesiac The two become fast friends and when her friend is volunteered to join a clinical trial that is testing medication for Empty Mind sufferers Darya goes with him At the study they meet other Amnesiacs It is soon obvious however that the program is not simply a medical study to cure Empty Mind It becomes clear from all the tests and talk of enhanced perceptions that Amnesiacs are not simply unable to retain memories and that there is more to the program than meets the eye When tragedy strikes the group the Amnesiac patients suddenly fear for their lives and they are unable to trust anyone but themselves They must escape but will there be a price for their freedom

[A History of Amnesia](#) Alfian Sa'at, 2023-04-28 Unapologetic unafraid and unyielding Alfian's second collection of verse delves in greater depth the concerns in his first volume and moves into reclaiming our collective history and memory In mining our psyche he casts light where whispers and shadows lurk He draws inspiration from censored histories subsumed myths and invokes imagined voices from the exiled demanding of the reader to witness the ubiquitous ideological fictions that surround us This is one of the most dissonant and penetrating voices in Singapore poetry A History of Amnesia is listed in the notable books list by the Kiriya Pacific Rim Book Award administered by University of San Francisco A History of Amnesia is also shortlisted for Singapore Literature Prize in 2004
