Victoria Peter Grant, 2010 James Douglas described Victoria as a perfect Eden when the Hudson's Bay Company first set up its trade depot in what was then Fort Victoria A few years later more than 30 000 miners arrived hoping to find their own Eden in a rich gold strike that set the stage for the tiny settlement's growth into the vibrant city that Victoria has become Using more than 140 archival photographs and an informative easy to read text Victoria A History in Photographs tells the city's story in compelling visual fashion making this a keepsake for visitors and residents alike

[That's Rich: the Rise and Fall of the BC Liberals](#) Judi Tyabji, 2024-08-30 In the unpredictable tangle of British Columbian politics people and the parties they represent can appear ascend and then vanish in notoriety or irrelevance all before your eyes The persistence of Truth doesn't have to factor into it A scandalous narrative has the power to control public perception This is untangled in the story of Rich Coleman and the BC Liberals Coleman was in the hot seat for twenty four years In his time he was called everything from Wyatt Earp to a knuckle dragger a criminal to a hero The truth of course is always more complicated than the sound bites and his story deserves more accuracy than the news stories gave it Through Coleman's eyes you'll have a close look at the highs and lows of the BC Liberals political journey You

It also see the painstaking critical work behind the scenes while the province was distracted by controversies Coleman's work restructured institutions and built a new BC industry Whatever you think of the BC Liberals you will have to admit it's quite the story and Rich Coleman will surprise you if you give him the chance

Vancouver Island Scoundrels, Eccentrics and Originals Stephen Ruttan, 2014-04-01 Found on the history shelves of the Greater Victoria Public Library these twenty true stories are brought to life by Stephen Ruttan They draw a picture of the life of a city with a recent past that's both unconventional and colourful From Miss Wilson and her famous parrot Louis to Jimmy Chicken Island named after a man who acquired his surname from his habit of stealing chickens to the Pig War when Britain and the United States nearly came to blows over the San Juan Islands to the rise and fall of Francis Rattenbury one of Victoria's best known architects these stories reveal a lively history of a West Coast capital city Archival illustrations newspaper clippings and modern photos help make Vancouver Island Scoundrels Eccentrics and Originals a delightful and illuminating read
