Amusing Shortstories Ofdeath:

My Dad Is Dead: And Other Funny Stories George Verongos,2019-01-23 Death It s a part of life and something we all must accept Whether it be our own demise or losing a loved one the experience of death is both sobering and surreal My Dad is Dead is a group of related short stories that explore that dichotomy through the eyes of a kid In George Verongos s second book he turns childhood memories into fictionally enhanced tales he made us say that he s trying to make it a thing With one foot in memoir and the other in fiction My Dad is Dead recounts the experiences of the author as a young boy I always wanted to say that growing up as the last of four children and the only boy to Greek American parents Set in the Midwest the breadbasket of America during the 70s and 80s MDID takes you on a journey of preadolescence and all its trials and tribulations culminating in the sudden death of the author s father If you like your accents thick your humor dark and your tears jerked My Dad is Dead and Other Funny Stories is for you
