AN AMERICAN DILEMMA

VOLUME 2

The Negro Problem and Modern Democracy

Gunnar Myrdal

"... One of the best political commentaries on American life that has ever been written, because it places its discussion of politics in a well-founded social science setting." — *American Political Science Review*

"Regardless of whether you are interested in 'the Negro problem' you will find this the most penetrating and important book on our contemporary American civilization that has been written. Here we Americans are revealed, clad in our patchwork 'American way,' attempting to live along with the vast and ugly reality of what Dr. Myrdal calls our 'greatest failure,' the Negro problem. The resulting analysis probes so deep and so surely that no one at all concerned with American democracy can afford to miss reading and pondering this book." — R. S. LYND

"An American Dilemma has a novelty and a courage seldom found in our American discussions, either of our total society or of the part which the Negro plays in it." — *American Sociological Review*
