An Audience With Jesus:

An Audience with Jesus John F. Davis, 1982-10 *Liturgia Dei* Adam Couchman, 2025-10-10 What does it mean to worship More often than not we understand worship to be something that we perform for God If that s the case then worship is ultimately a human action that flows from human effort How would our understanding of worship change though if we took as our starting point that Jesus is a fully human and fully divine worshiper Does it then mean that God is worshipping In responding to these questions *Liturgia Dei* suggests that worship is not primarily something we do for God but something God is eternally performing Worship is the eternal glorification of God that extends from and returns to the eternal relations of Father Son and Mother Spirit The church joins in this worship to through and with Jesus Christ **The life and times of Jesus the Messiah** Alfred Edersheim, 1887 **1 Timothy, Volume 1** Paul S. Jeon, 2017-12-22 1 Timothy is one of the more controversial documents in the New Testament For years critical scholars have rejected Pauline authorship highlighted the apparent misogynistic quality of the text and argued against any coherence in the letter Jeon takes a fresh look at the letter incorporating many recent advancements in NT scholarship In detail he demonstrates the macro and micro chiasmic arrangement of the entire letter and explains how the presumed first century audience would have heard and responded to an oral performance of the letter In doing so Jeon offers a fresh challenge to more popular ways of mis understanding the letter and points a way forward for appropriating the letter both in academia and in the church **The Messiah of Peace** Thomas E. Boomershine, 2015-06-09 The telling of Mark s story of Jesus as the Messiah of peace in the decades following the Roman Judean war announced a third way forward for Diaspora Judeans other than warfare against or separation from the nations Mark s Gospel was the story of the victory of a nonviolent Messiah who taught and practiced the ways of a new age of peace and reconciliation in contrast to the ancient and modern myth of redemptive violence The Messiah of Peace is a performance criticism commentary exploring a new paradigm of biblical scholarship that takes seriously the original experience of the Gospel of Mark as a lively story told to audiences rather than as a text read by readers The commentary is correlated with the Messiah of Peace website which features video recordings of the story in both English and Greek Critical investigation of the sounds of the Markan passion resurrection narrative reveals the identity of its original audiences as predominantly Judean with a minority of Gentile nonbelievers Hearing the passion resurrection story was an experience of involvement in the forces that led to the rejection and death of Jesus an experience that brought on the challenges inherent in becoming a disciple of the Messiah of peace The Audience of the Gospels Edward W. Klink III, 2010-05-06 A new volume updating and clarifying the seminal work *The Gospels for All Christians Rethinking the Gospel Audiences* edited by Richard Bauckham From Text to Performance Kelly Iverson, 2014-10-31 For the last two centuries biblical interpretation has been guided by perspectives that have largely ignored the oral context in which the gospels took shape Only recently have scholars begun to explore how ancient media inform the interpretive process and an understanding of the Bible This

collection of essays by authors who recognize that the Jesus tradition was a story heard and performed seeks to reevaluate the constituent elements of narrative including characters structure narrator time and intertextuality In dialogue with traditional literary approaches these essays demonstrate that an appreciation of performance yields fresh insights distinguishable in many respects from results of literary or narrative readings of the gospels Luke-Acts John Paul Heil,2018-04-09 This book demonstrates that Luke Acts provides its audience with a basic foundation for all of the various dimensions of Christian worship With the arrival of Jesus and especially his being raised from the dead by God the preeminent locations leadership and times for worship move beyond the Jerusalem temple Jewish synagogues Sabbath and the Jewish feasts of Passover and Pentecost to worship in and by the Christian community As Son of God and Lord Jesus becomes an object of true worship along with God the Father Jesus serves as a subject for laudatory worship Jesus teaches about prayer engages in it and serves as an object for supplicatory worship Jesus not only took part in the ritual worship of being baptized by John but as the risen and exalted Lord baptizes believers with the Holy Spirit in the sacrament of baptism In addition the many meal scenes throughout Luke Acts provide numerous insights foundational for proper celebrations of the Eucharist **Paul Among Jews** Wenxi Zhang,2011-10-17 This book challenges a popular and influential thesis in Lukan scholarship presented by the Tübingen School Paul is a rival of Peter and Paul is an anti Jewish apostle Consequently he is solely an apostle to Gentiles in Acts Through a narrative critical method Wenxi Zhang studies Paul s inaugural speech in Antioch of Pisidia and its literary function in relation to Paul s missionary activity among Jews in Acts He concludes 1 that this inaugural sermon functions as an interpretative key to understand the narrative of Paul s missionary activity among his fellow Jews and 2 that Paul is not anti Jewish He remains a faithful Jew who proclaims to his fellow Jews the fulfillment of God s promise to David in Jesus resurrection Consequently Acts is not anti Jewish document **Mercer Commentary on the New Testament** Watson E. Mills,Richard F. Wilson,2004 This one volume commentary on the Old Testament including the Deuterocanonical literature is taken from the Mercer Commentary on the Bible Every book of the Old Testament receives full commentary treatment complete with an introduction and outline to each book followed by a commentary on each book This volume is the perfect tool for students and teachers in that it provides the essential information in understanding the text and its meaning As such it is deal for introductory courses on the Old Testament Hebrew Bible or for individual or group study The Life of Jesus Christ E. S.,1872 **Bible Student and Religious Outlook** ,1915 Jesus Christ Ferdinand Prat,1950 **Leaves of Healing** ,1915 **The American Friend** ,1923 *The Month and Catholic Review* ,1874 *Month and Catholic Review* ,1874 **Railway Signal** ,1886 **Encyclopædia Biblica** Thomas Kelly Cheyne,John Sutherland Black,1903 Our Paper ,1895
