# An Imperative Duty

**William Dean Howells**

## **An Imperative Duty:**

**An Imperative Duty** William Dean Howells, 2020 Mr Howells latest novel deserves and will receive wide reading It deals with a problem which had found its way into American social life of his time How will a cultivated and beautiful woman feel if she discovers that she has a tinge of negro blood in her veins How will other people particularly her lover feel and act Mr Howells works out the problem with skill on what seem to us sound lines of reasoning **An Imperative Duty** is so mature a work and so good an example of the author s method that it invites the closest scrutiny It is written with his usual acuteness and cleverness but with even more than his ordinary amount of self consciousness He is continually trying to say clever things and he seems here a kind of intellectual conventionalist we feel that he would commit a minor crime rather than fail in the proper tone As one reads he plants his feet as circumspectly as in threading his way in a crowded parlor where trains abound One is exhausted in the effort to keep up to the author s intensely self conscious key It is too much like the brilliant persiflage of a dinner party when everybody means more than he says and challenges his listeners to see the target at which he is really aiming The glow and fling of high creative work are thus rendered impossible to the author and the reader falls into a hyper critical state of mind Mr Howells is at his best when describing distinctive American types The cultivated Frenchman and the cultivated American are much more alike than are the Frenchman and the American on lower levels and when a writer selects his characters from Beacon Street and the Cours la Reine he has less opportunity to be picturesque than when he deals with Hanover Street and the Quartier Latin Mr Howells is an artist of the first order like Henry James He works by rule and the result is the product of high talent

**Imperative Duty** William Dean Howells, 1962 *An Imperative Duty* William Dean Howells, 1891 *An Imperative Duty; a Novel* William Dean Howells, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1891 edition Excerpt xm Olney expected without being able to say why exactly a second visit from the man who was now only his former rival Perhaps it was because he believed he knew why Miss Aldgate had refused to see him that he rather thought the young man would come to ask him But he did not come and in the mean time Olney began to perceive that it would have been preposterous for him to have come Till he learned by inquiry of the clerk at the Vendome that Bloomingdale had left there with his mother and sisters he did not feel that the minister was out of the story and that it remained for him alone to read it to the end He took it for granted that Rhoda treated the man who had certainly a claim upon her kindness in that brusque not to say brutal manner out of mere hysterical weakness She had made up her mind to refuse him and as she felt she might not have strength to endure the sight of the pain she must inflict she had determined not to witness it Whether she had loved him too well to afflict him with her secret or not well enough to trust him with it was what remained a question with Olney and he turned from one point of it to the other with the wish to answer it in a sense different from both What he wished to believe was that she did not love the poor young fellow

at all but this seemed to be too good to be true and he could not believe it with the constancy of his desire Nevertheless he had a fitful hold upon it and it was this faith wavering and elusive as it was that encouraged him to think Miss Aldgate would not refuse to see him and that he might at any rate go down at once to Mrs Atherton s and ask about her if not for her When he had reasoned to this conclusion which he reached with electrical rapidity as soon

**An imperative duty. Author's ed**  
William Dean Howells,1891 *An Imperative Duty; a Novel, by W. D. Howells* William Dean Howells, **An Imperative Duty. a Novel** William Dean Howells,2015-08-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

[An Imperative Duty](#) William Dean Howells,1962 **An Imperative Duty** William Dean Howells,2007-05-04 Through this narrative Howells has expressed his views on different social issues of his time These include racism industrialization and the ongoing conflict between Socialists and Capitalists The work skilfully amalgamates all the different issues and presents a love that transcends social hurdles and prejudices

*An Imperative Duty* William Dean Howells,2018-01-13 Excerpt from An Imperative Duty A Novel Olney got back to Boston about the middle of July and found himself in the social solitude which the summer makes more noticeable in that city than in any other The business the hard work of life was going on galloping on as it always does in America but the pleasure of life which he used to be part of as a younger man was taking a rest or if not a rest then certainly an outing at the sea shore He met no one he knew and he continued his foreign travels in his native place after an absence so long that it made everything once so familiar bewilderingly strange About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

An imperative duty. 1891 William Dean Howells, **An Imperative Duty. a Novel - Primary Source Edition** William Dean Howells,2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

**An Imperative Duty** W. Howells,2014-12-04 THE duty which weighs so heavily on the conscience of Mrs Meredith is one likely to appeal more forcibly to the American than to the European standard of honour This lady appears on the scene as the guardian and sole relative of a young and lovely niece and is introduced to the reader in an hotel at Boston where she has just arrived from Europe as the patient of a Dr Olney staying there under similar circumstances He quickly discovers that he is called upon to minister to a mind diseased and ends by being made the confidant of the lady s mysterious trouble The latter resolves itself into the dilemma in which she finds herself placed by the probability of her niece s marriage involving the necessity of imparting to her or to her suitor or both the crushing fact that despite her beauty and grace her distinction of air and purity if not fairness of skin she has in her veins the dark taint of negro blood Her father a physician practising in New Orleans had married there a beautiful octoroon and had on his death left his little girl to be brought up by his sister The cruel kindness of keeping the child in ignorance of her origin has now to be expiated by the necessity of imparting it to her at an age when it comes as a terrible revelation with the result of utterly estranging the girl from her aunt and driving her into a state of mind bordering on insanity Her first impulse is to rush into the street and seek the quarter of the humble coloured people that she may accustom herself to the horror of feeling her kinship with them and the additional revulsion of feeling with which she regards them under these circumstances is powerfully realised She returns to the hotel to find her aunt dying of the effects of an overdose of her sleeping draught and thus goes through a second crisis in her fate ere she has had time to realise the first The Dens ex machina is found in Dr Olney who has by this time fallen so thoroughly in love with her as to be willing to marry her with all her imperfections on her head The Dublin Review Volume 110

Race Passing and American Individualism Kathleen Pfeiffer,2010-02 Pfeiffer studies the fiction of William Dean Howells Frances E W Harper Jean Toomer James Weldon Johnson Jessie Fauset and Nella Larsen She supports the ambiguous theory that the African American characters found in these six authors works are reinventing themselves by passing as white **William**

**Dean Howells** Susan Goodman, Carl Dawson, 2005-05-01 Possibly the most influential figure in the history of American letters William Dean Howells 1837 1920 was among other things a leading novelist in the realist tradition a formative influence on many of America's finest writers and an outspoken opponent of social injustice This biography the first comprehensive work on Howells in fifty years enters the consciousness of the man and his times revealing a complicated and painfully honest figure who came of age in an era of political corruption industrial greed and American imperialism Written with verve and originality in a highly absorbing style it brings alive for a new generation a literary and cultural pioneer who played a key role in creating the American artistic ethos William Dean Howells traces the writer's life from his boyhood in Ohio before the Civil War to his consularship in Italy under President Lincoln to his rise as editor of Atlantic Monthly It looks at his writing which included novels poems plays children's books and criticism Howells had many powerful friendships among the literati of his day and here we find an especially rich examination of the relationship between Howells and Mark Twain Howells was as Twain called him the boss of literary critics his support almost single handedly made the careers of many writers including African Americans like Paul Dunbar and women like Sarah Orne Jewett Showcasing many noteworthy personalities Henry James Edmund Gosse H G Wells Stephen Crane Emily Dickinson and many others William Dean Howells portrays a man who stood at the center of American literature through the late nineteenth and early twentieth centuries

**The Cambridge Companion to Nineteenth-Century American Literature and Politics** John D.

Kerkering, 2025-03-13 This volume addresses the political contexts in which nineteenth century American literature was conceived consumed and criticized It shows how a variety of literary genres and forms such as poetry drama fiction oratory and nonfiction engaged with political questions and participated in political debate *To be Suddenly White* Steven J. Belluscio, 2006 *To Be Suddenly White* explores the troubled relationship between literary passing and literary realism the dominant aesthetic motivation behind the late nineteenth and early twentieth century ethnic texts considered in this study Steven J Belluscio uses the passing narrative to provide insight into how the representation of ethnic and racial subjectivity served in part to counter dominant narratives of difference *To Be Suddenly White* offers new readings of traditional passing narratives from the African American literary tradition such as James Weldon Johnson's *The Autobiography of an Ex Coloured Man* Nella Larsen's *Passing* and George Schuyler's *Black No More* It is also the first full length work to consider a number of Jewish American and Italian American prose texts such as Mary Antin's *The Promised Land* Anzia Yezierska's *Bread Givers* and Guido d Agostino's *Olives on the Apple Tree* as racial passing narratives in their own right Belluscio also demonstrates the contradictions that result from the passing narrative's exploration of racial subjectivity racial difference and race itself When they are seen in comparison ideological differences begin to emerge between African American passing narratives and white ethnic Jewish American and Italian American passing narratives According to Belluscio the former are more likely to engage in a direct critique of ideas of race while the latter have a tendency to become more simplistic acculturation

narratives in which a character moves from a position of ethnic difference to one of full American identity. The desire to be suddenly white serves as a continual point of reference for Belluscio, enabling him to analyze how writers, even when overtly aware of the problematic nature of race, especially African American writers, are also aware of the conditions it creates, the transformations it provokes, and the consequences of both. By examining the content and context of these works, Belluscio elucidates their engagement with discourses of racial and ethnic differences, assimilation, passing, and identity, an approach that has profound implications for the understanding of American literary history.

**The Shadow of a Dream and An Imperative Duty** William Dean Howells, 2004-01-26. These two nouvelles mark Howells' plunge into psychological realism. Their themes—a triangle of tragic agonies with psychological insights, intriguingly proto-Freudian, and a drama of miscegenation—are anything but the smiling, lightweight topics to which Howells has been supposed to have been confined. The maturity, both of their art and of their moral insight, lends them an impact much deeper and more permanent than that of the shiller, more merely commercial, shocking fiction of our day. Edwin H. Cady's introduction places the books in the context of the development of Howells' life, work, art, thought, and sensibility. He helps the reader make immediate contact with the artistic methods and intentions of the author.

**Civil Wars** Susan Goodman, 2003-06-02. In a work that recovers the broader meaning of manners for past generations, Susan Goodman demonstrates that American writers have consistently tied the subject of national identity to the norms and behaviors of everyday life; that, in fact, the novel of manners is a dominant form of American fiction.

### **An Imperative Duty Introduction**

In the digital age, access to information has become easier than ever before. The ability to download An Imperative Duty has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download An Imperative Duty has opened up a world of possibilities. Downloading An Imperative Duty provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading An Imperative Duty has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download An Imperative Duty. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading An Imperative Duty. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading An Imperative Duty, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download An Imperative Duty has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
