Acting My Script Israel Akpovoke,2023-08-31 Everyone has a story and that story has an author God He is the author of our lives the scriptwriter of our days the one who has written a great purpose for us When we fall off the rails and do not follow the script God has written that is when things go haywire Our plans fall apart things do not go as we plan and we hit rock bottom This book is about acknowledging God as your guiding light leading you to uncover your life s purpose Life is a series of unforeseeable events and it is crucial to learn how to respond to them Act the Script of your life It s about learning to live a quality life that is fulfilling and purposeful But how can you tap into your purpose when distracted by the world s matters Allow this book to serve as a beacon of hope and direction If you find yourself at a point in your life where you feel lost on the verge of quitting and in need of encouragement this is it The moment you realize that your steps to success have already been written is the day that you will pursue the one who wrote those steps We all want success and sometimes follow the wrong path to attain it not realizing the high cost we pay long term There is good news You can turn your life around gain heavenly wisdom and get back on track by the hand of God All you have to do is turn your life to Jesus Christ surrender to God s plans and uncover the book He has written for your life Once you discover what you are destined to do and whom you are destined to be the sky is the limit Nothing will have the power to hold you back With God on your side and your mind consecrated to the Lord you can overcome anything and achieve unimaginable feats [Is God Your Final Answer?](#) William Grassman,2007 A successful CEO Grassman hopes that his readers with Gods guidance will be able to see as Peter did the true Jesus the Christ the son of the living God and respond from the heart Informative and illuminating

[THE ONE AND THE ONLY...](#) Jedidiah "Dee" Duaya,2014-04-25 While in the world we have come to understand that there are many gods with many followers leading to many religions the truth of the matter is that not all the gods are all right and true at the same time One God has to be the right one making him the true one as well and all the rest of them have to be wrong and false gods at the same time The One and the Only book will help all of us reason in discovering who this right and true God is but most importantly this book will challenge those that claim to be acquainted with this right and true God not to keep him for themselves making him a private property and preventing the rest of the world from

accessing this God by dictating who can come to him and who cannot but on the contrary they will be reminded of their responsibility to share him and to be the bridge of the people to this God without being an hindrance In The One and the Only we will have to come to the conclusion that nobody can privatize God or control him but all of us in each of our own ways can relate and personalize this God in our lives If there is One true God then He must be the one and the only God for everybody and He must be accessible for everyone who so want him in their world
