### Types of Gambling Addiction

It's normal for a person to go through three different phases of addiction:

1

**The winning phase**

This is the euphoric feeling that people enjoy the most.

2

**The losing phase**

It's impossible to win all the time, and losing is inevitable.

3

**The desperation phase**

This phase occurs after a person has lost repeatedly, and they're desperate to do anything.

The desperation phase is scary because it can lead to criminal activity,

Depression

lost relationships

lost employment

suicide

As a Toronto addictions therapist, I've helped many people who were dealing with an addiction to gambling, and I can help you too.
