hiding And the secrets he kept have now trapped Theresa in a life threatening fight for her home and the truth After months of undercover work Secret Service operative Broderick Cosgrove is finally about to uncover the identity of the leader of a notorious counterfeiting ring That moment of triumph turns to horror however when he finds undeniable proof that his former fiance is connected Can he really believe the woman he loved is a willing participant Protecting Theresa and proving her innocence may destroy his career but that s better than failing her twice in one lifetime They must form a partnership tentative though it is But there s no question they re both still keeping secrets and that lack of trust along with the dangerous criminals out for their blood threatens their hearts their faith and their very survival Combining rich history danger suspense and romance Crystal Caudill s debut novel launches this new historical series with a bang Fans of Elizabeth Camden Michelle Griep and Joanna Davidson Politano will be thrilled to find another author to follow [Mountain Top Life Daily Devotional 2019](#) Dr. D.
