## **Counterfeit Religions:**

World Religions and Cults Volume 1 Bodie Hodge, Roger Patterson, 2015-08-13 Religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions such as: How can a Christian witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way. And there is a common factor every time: man's fallible opinions. In one way or another, the Bible gets demoted, reinterpreted, or completely ignored. Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion's origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.

*Counterfeit Christianity* Harold Lerch, 2025-08-18 This book is intended to provide a review of mainstream Christianity and to point out the perils of cults, groups we call Counterfeit Christianity. As we are a Christian ministry, we also describe Christian cults with a bias against their dangerous teachings. Cults generally have a twisted definition of God. According to the Internet, a cult is a group with extreme, often unorthodox beliefs and practices, usually led by a charismatic figure who exerts strong influence over members. Cults often involve excessive devotion to a person, idea, or object and may isolate members from mainstream society. Cults accept non-traditional interpretations of scripture. They are founded by the false prophets the Bible warns us about. They distort scriptures to fit their purposes and do not represent the ministry of Jesus and the apostles.

**Major Cults and False World Religions** Steve Urick, 2011-03 Cults and false religions are dangerous. They preach a false gospel and lead people into a false spirituality. Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain. *Major Cults and False World Religions* reveals several key characteristics that make them unbiblical. It also exposes several major false cults and religions that have the majority of the world's population deceived and headed for Hell. This book is the result of thirty-one years of evangelism work, studying comparative religions, and apologetic research and debate. It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks.

*World Religions and Cults Volume 1* Ken Ham, 2015-08-13 This eye-opening first volume presents a clear and thorough analysis of counterfeit religions like Mormonism, Islam, Deism, Jehovah's Witnesses, Zoroastrianism, and many more.

*True Christianity & False Religions* Lloyd A. Davidson, 2004 Do you really believe in the only true and living God? Are you tired of false religion and now hunger and thirst after righteousness? Are you deceived and not sure if you are a true Christian? Are you 100% sure that Jesus Christ

*Woke Religion: Unmasking the False Gospel of Social Justice* Wes Carpenter,2021-08-03 In today s society many including Christians want to be woke But has woke become simply another religion another ploy of Satan s to shred the fabric of Christianity As woke critical theory seeps through the teachings of the Church many Christians are being misled by their own spiritual leaders to take part in the newest attempt for their souls In *Woke Religion Unmasking the False Gospel of Social Justice* Wes Carpenter unashamedly addresses these heretical teachings calling on those in spiritual authority to deny woke philosophies and cling to the teachings of Scripture Follow Wes as he takes the reader from the stirrings of woke critical theory in Church history to the teachings that are pervading the Church today

Olson,2015-08-04 Historic heresies didn t die or fade away Each generation boasts its own Even while these counterfeit teachings remain outside the accepted bounds of Christianity modern day versions plague churches So how does a church leader or pastor understand and deal with these age old controversies when they pop up in the congregation In this book Roger Olson describes the curses but also gifts that heresies bring the Church While heresies can occasionally correct a version of orthodoxy they are not simple confusions or misunderstandings about impenetrable mysteries of divine revelation Instead they undermine the faith and are dangerous distortions The author describes major heresies and how the church dealt with them the players and what pastors can do to address these faith issues in order to educate congregations about Jesus God and salvation Also included are questions for individual or group study Also available a Leader guide with DVD in which Adam Hamilton hosts on screen conversations with Roger Olson 9781501806360 *Devotional Discipleship* Dale E.
