Counterfeit Revival:

Counterfeit Revival Hank Hanegraaff, 2001-07-28 Hank Hanegraaff documents the danger of looking for God in all the wrong places and goes behind the scenes into the wildly popular and bizarre world of contemporary revivalism Hanegraaff masterfully exposes the stark contrast between these deeds of the flesh and a genuine work of the Spirit by contrasting modern revivals with the scriptural examples of God's movement among His people **Counterfeit Revival** Hank Hanegraaff, 2001 Bible Answer Man Hanegraaff goes behind the scenes to uncover the contradictions false experiences spiritual deception and seductive allure of esoteric experiences masquerading under the banner of truth *Revival Wars : a Critique of Counterfeit Revival* James Beverley, 1997 **Faith Healers and the Bible** Stephen J. Pullum, 2015-04-14 An insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually What faith healers teach however often goes unchallenged Faith Healers and the Bible What Scripture Really Says offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe Drawing on a lifetime of study and nearly two decades of teaching a university course titled The Rhetoric of Faith Healing Stephen J Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the health and wealth gospel Meeting faith healers on their own turf the Bible Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported *Holy Laughter and the Toronto Blessing* James A. Beverley, 1995 This powerful study of the Toronto Blessing phenomenon presents the facts in the light of Scripture Mixtus-Americans' Salvation From Oppressive Sin , **Book 4 Psychology PB** Kurt Jurgensmeier, 2012-08-22 What does Scripture say about the human heart The human heart is where we meet God believe Him and obey Him Which is why the psychological use of heart is used over 1000 times in Scripture not including the hundreds of synonymous references to the human mind spirit soul and conscience Contrary to many there is a lot of psychology in the Bible This book is first a biblical study on the different aspects of the human heart including our reason will and emotions Included is an important chapter on how we change our heart and thus our life Secondly we discuss the dangers of how the Charismatic movement has elevated emotion over reason in both worship and prayer Finally we correct the common mistake in theology of not distinguishing between the abilities of the devil darkened reason of the unregenerated and the Spirit liberated reason of the regenerated In the process we describe the psychological aspects of conversion **Great Preaching on Revival** , 1997 **Dickerman's United States Treasury Counterfeit Detector and**

Bankers' & Merchants' Journal ,1901 *Revival Answers, True and False Revivals, Genuine or Counterfeit* Mathew Backholer,2018-02-01 What is true Christian revival and how can we tell the genuine from the false the true from the spurious Drawing from Scripture and Church history this book will sharpen your senses and take you on a journey of discovery Featuring Genuine revivals and moves of God Steps towards a heaven sent revival How God works in revivals and awakenings The Church and community in times of revival The differences between revivals and outpourings Leadership discernment and working with the Holy Spirit The work and ministry of the Holy Spirit in genuine revival Accepting God s dynamics and rejecting the demonic The facts of revival and what the Scriptures declare The pendulum swing and characteristics of revival The Divine the demonic deception and excess How to handle excess and those in the flesh The secrets and the supernatural of revival Physical phenomena and conviction of sin What is genuine spiritual revival and how can we know truth from error fact from fiction With many preachers claiming to have revival some wanting to impart it into your life with many evangelists churches and conferences declaring they will have revival so come and receive a touch or they will impart it into your life what is the truth Revival Answers True and False Revivals answers these question and many others so we can discern genuine heaven sent revival and not be deceived by a counterfeit **True Revival** John Armstrong,2001 With a careful look at both God s Word and historical examples of revival Armstrong gives a clear picture of how true revival takes place and tells how believers can prepare for revival He also addresses how they can discern true revival from false This powerful and inspiring book encourages Christians toward a more intimate and fruitful relationship with God **Charisma and Christian Life** ,2001 **A History of the Charismatic Movement in Britain and the United States of America** Stephen Hunt,2009 *Revival of the Gnostic Heresy* Joe E. Morris,2008-11-15 In this rigorous analysis Morris draws parallels between Fundamentalist methods of biblical interpretation and the early Christian heresy of Gnosticism *Minutes of the Annual Meeting of the Presbyterian and Congregational Convention of Wisconsin* Presbyterian and Congregational Convention of Wisconsin,1871 **Minutes of the Congregational and Presbyterian Convention of Wisconsin** Congregational and Presbyterian Convention of Wisconsin,1875 **The New World Order** Russell Burrill,1992 People everywhere have been stunned by the swift collapse of communism and the emergence of the United States as the world s sole remaining superpower The stage has suddenly been set for the arrival of an entirely New World Order But the United States is not the only world power jockeying for control of this new world order The head of perhaps the world s most powerful church a religious leader who played a significant yet almost unknown role in the communist collapse is positioned to play a major role The religious right while seeking to champion family values prayer and the sanctity of human life may in reality be unwittingly taking the first steps down a path that in time could lead to the greatest religious intolerance ever witnessed And even in the non religious world dominated by secular humanism ancient occultism strides aggressively forward under the New Age banner None of this is just coincidence The truth is all of this and more was predicted centuries

ago by two Bible prophets Daniel and John the Revelator The New World Order shows how today s headlines are rapidly fulfilling these ancient prophecies What you are about to read may be chilling or thrilling It may also be the most important book you ve read in years *The Word-faith Controversy* Robert M.
