## **Counterfeit Spies:**

*Cold War Counterfeit Spies* Nigel West, 2016-10-14 The Cold War with its air of mutual fear and distrust and the shadowy world of spies and secret agents gave publishers the chance to produce countless stories of espionage treachery and deception What Nigel West has discovered is that the most egregious deceptions were in fact the stories themselves In this remarkable investigation into the claims of many who portrayed themselves as key players in clandestine operations the author has exposed a catalogue of misrepresentations and falsehoods Did Greville Wynne really exfiltrate a GRU defector from Odessa Was the frogman Buster Crabb abducted during a mission in Portsmouth Harbour Did the KGB run a close guarded training facility as described by J Bernard Hutton in *School for Spies* which was modelled on a typical town in the American mid west so agents could be acclimatised to a non Soviet environment With the help of witnesses with first hand experience and recently declassified documents Nigel West answers these and other fascinating questions from a time when secrecy and suspicion allowed the truth to be concealed

**Counterfeit Spies** Nigel West, 1998

*Counterfeit Spies* Nigel West, 1999 Of the many hundreds of accounts of wartime adventures by secret agents behind enemy lines which are authentic and which are the fantasies of hoaxers Have dozens of authors and their publishers been duped into peddling fiction dressed up as fact In this remarkable investigation of clandestine operations of the Second World War British intelligence expert Nigel West reveals a catalog of bogus claims doctored photos faked documents and manufactured archival records The spurious tales of more than two dozen authors are placed under the expert s microscope compared to the recently declassified files of hitherto secret organizations and exposed as exaggeration embellishment or outright fraud A compelling brilliantly researched investigation

*Counterfeit Spies* Oliver Buckton, 2024-10-01 This book explores the fascinating influence of intelligence work during World War II on spy fiction as well as the important roles many spy novelists played during the war and the sustained influence of spy fiction on intelligence operations after World War II and during the Cold War
